Congratulations to all our year 6 children who have been amazing this week. They have had some challenging times in the SATS but their positive attitudes, perseverance, resilience and determination was incredible to see. They ended the week with a celebration party!

We are so proud of them all. Thanks to all our year 6 staff for their love, care, support, high expectations and hard work helping the children prepare for the SATS. I feel that the skills shown by our children this week are a much better indicator of achievement than any SATS papers can show. Fly high year 6.
