Our year 6 returned from Robinwood full of stories about piranhas avoided, challenges faced, activities shared and proudest moments. With activities including: canoeing, raft building, trapeze, giant swing, zip wire, climbing, caving, piranha pool and Knights Quest, all the children were "challenged by choice" to set their own targets and face their own challenges.

We were so lucky that we were able to take part in a school residential this year. For a long time, we thought that our Year 6 class may miss out on this amazing experience.

We are so grateful to Robinwood for all the time and effort they put in to ensuring they were able to open in a Covid safe environment. The staff worked so incredibly hard the whole time.

Thanks also go to our staff who willingly gave their time to enable this trip to take place - leaving their own families at home, to be with the Year 6 family. Without these staff, the trip couldn't happen. I am so grateful to these staff.

Our next trip is for Bears Class - all parents have been sent a message about this trip & is available on ParentPay to give your consent & make a donation. Thank you.
