VE Day 80th Anniversary 1945 - 2025

Next Thursday we are celebrating VE day in school. We will be having a picnic lunch on the field (weather permitting).

There will be an assembly, children will make decorations during the week, we will learn a song and there will be class specific activities.

Children are allowed to come to school in their own clothes that are red, white and blue, or a combination of these colours.

Parking around school

A reminder that no cars should be entering the school car park at any time especially not at Breakfast club or After School club times. It is becoming very dangerous with cars reversing etc when pupils are arriving. Thank you for your support in this matter.

Packed Lunches

We encourage you to avoid pre-packaged snacks that generate excessive plastic waste, as we aim to reduce our environmental impact. **All waste in lunches will now be sent home so that you can check what your child has eaten and creates less waste**, helping our school move toward a more sustainable future while also ensuring that your child benefits from nutritious food choices
