Please note Government funding does not cover the cost of meals, consumables or additional services.

I agree that fees are payable monthly & will be paid on the first of each month in advance. Unpaid fees are subject to a £20 late payment fee if not received by the 7<sup>th</sup> day of the month. Unpaid fees may result in immediate suspension or termination of care unless reasonable arrangements are made & accepted by both parties. Fees are based on “booked days”, not attendance, therefore parents are responsible for fees whether the child attends or not.

Parents / carers who qualify for funding will have this amount deducted from the invoice. All tax efficient funding from your company will not be deducted from the invoice; it is up to the parent / carer to deduct this.

## Uniform

Badged navy sweatshirts will be available to buy from the Nursery priced £10.00. A plain white polo shirt can be worn underneath.

In order to feel free to explore & experiment with all kinds of materials, including messy ones, it is advisable to send children dressed in clothes that are easily washable such as joggers. Simple clothing which they can handle themselves will enable them to go to the toilet unaided & to put on and take off their outdoor clothes without being too dependent on other people to help.

St. Bernard's Nursery also requests each child is provided with a pair of wellington boots & waterproof trousers – all clothing to be carefully labelled please.

## **Safeguarding / Child Protection Statement**

### **for St. Bernard's Nursery.**

All children whatever their age, background, religion or family circumstances have a fundamental right to be offered care and protection by those responsible for their safety and well-being. Most of the time, this means parents and carers but when children attend nursery school the responsibility to safeguard and protect children becomes part of the job of other adults, even if only for a short time.

St. Bernard's Nursery is required by law to safeguard & protect the interests of children placed in our care. We do this by making sure that we have staff who are trained to help any children who may be unhappy or worried, or who may be having difficulties at home.

We encourage children & parents to talk to us or to seek help, if they are worried, just as we will usually talk to parents if we are concerned about anything to do with their child. There are times when parents may need our support or advice so they can help their child. Support may be available from nursery, the local education authority and also from social services and other agencies who may also be able to offer assistance. We would not share information with these other agencies or ask them to visit you without your consent.

There may, however be occasions when staff have serious worries and believe that a child is at risk of serious harm. Our nursery, like others must follow the procedures which are laid down by the government for protecting children. In these circumstances, we must contact the local social service office and share our concern. In most circumstances, we will tell you we are doing this. In social services, there are specialised workers who would then decide how best to help & support the family. If they felt a child is in danger, these workers can also take steps to make sure the child is safe.

Within our nursery we have policies to ensure that our staff behave properly and professionally towards the children with whom they work and so that all staff know what to do if they become worried about a child. Any parent wishing to view this document may do so upon request.

We take seriously our responsibility to look after the interests of your children, not just because we are required to do so by law, but also because we recognise that in order to learn and develop, children need to feel safe and secure and they need to feel valued. To this end, we recognise the importance of our role in working with you as parents and with your child.
