Safeguarding safe from specific forms of abuse.	Specific Safeguarding	<i>St. Bernard's Catholic Primary School</i> is committed to keeping our children safe from specific forms of abuse.
We will formulate risk management plans where required using the guidance and template below.		
We will ensure that:		We will ensure that:

 ALL staff and volunteers understand that there are specific and emerging ways in which children can be abused, such as:
<u>Radicalisation</u> refers to the process by which a person comes to support terrorism and forms of extremism, there is no single way of identifying an individual who is likely to be susceptible to an extremist ideology.
 ALL staff and volunteers will have 'due regard to the need to prevent people from being drawn into terrorism', known as the 'Prevent Duty' ALL staff and volunteers will have a general understanding of how to identify a child who may be at risk of radicalisation ALL staff and volunteers will use professional judgement in identifying children who might be at risk of radicalisation and act proportionately The school Online Safety Policy will ensure the safety of children by ensuring they cannot access terrorist and extremist material when using the internet and that suitable filtering software is in place DSLs understand when it is appropriate to make a referral to the Channel Panel RISK ASSESSMENT LANCASHIRE PREVENT THE PREVENT CHECKLIST.docx
Child Sexual Exploitation (CSE) involves exploitative situations, contexts and relationships where young people may receive something (e.g. food, accommodation, drugs, alcohol, gifts or simply affection) as a result of engaging in sexual activities. The perpetrator will not only groom the victim (possibly over a long period of time) but will always hold some kind of power which increases as the exploitative relationship develops. Sexual exploitation involves a degree of coercion, intimidation or enticement, including unwanted pressures from peers to have sex, sexual bullying including on line bullying (cyberbullying) and grooming. It is important to recognise that some young people who are being sexually exploited do not exhibit any external signs of this abuse.
 The school curriculum (whereby sexual relationships/PSHE is delivered) will include relevant information around the risks associated with CSE The school Online Safety Policy will ensure the safety of children by ensuring they cannot access inappropriate material when using the internet and that suitable filtering software is in place
Child criminal exploitation: county lines Criminal exploitation of children is a geographically widespread form of harm that is a typical feature of county lines criminal activity: drug networks or gangs groom and exploit children and young people to carry drugs and money from urban areas to suburban and rural areas, market and seaside towns. Key to identifying potential involvement in county lines are missing episode, when the victim may have been trafficked or the purpose of transporting drugs and a referral to the <u>National Referral Mechanism</u> should be considered. Like other forms of abuse and exploitation, county lines exploitation:
 can affect any child or young person (male or female) under the age of 18 years can affect any vulnerable adult over the age of 18 years can still be exploitation even if the activity appears consensual can involve force and/or enticement-based methods of compliance and is often accompanied by violence or threats of violence can be perpetrated by individuals or groups, males or females, and young people or adults; and is typified by some form of power imbalance in favour of those perpetrating the exploitation. Whilst age may the most obvious, this power imbalance can also be

due to a range of other factors including gender, cognitive ability, physical strength, status, and access to economic or other resources.
Honour Based Violence (HBV) 'A crime or incident, which has or may have been committed, to protect or defend the honour of the family and/or community'. (ACPO Working Definition 2008) ALL staff and volunteers will have a general understanding of how to identify a child who may be at risk of Honour Based Violence.
Forced Marriage is one whereby one or both parties do not consent to marriage but are forced to do so through violence, threats or any form of coercion. Schools play an important role in safeguarding children from being forced to marry.
Female Genital Mutilation (FGM) is encompassed within the term Honour Based Violence:
 ALL staff and volunteers are aware of the "one chance rule" and will report all cases of suspected Honour Based Violence to the DSL immediately FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences
 ALL staff need to be alert to the possibility of when a female pupil may be at risk of FGM or when it may have been conducted on them Whilst all staff should speak to the designated safeguarding lead (or deputy) with regard to any concerns about female genital mutilation (FGM), there is a specific legal duty on teachers. If a teacher, in the course of their work in the profession, discovers that an act of FGM appears to have been carried out on a girl under the age of 18, the teacher must report this to the police.
Modern Slavery The Modern Slavery Act 2015 places a new statutory duty on public authorities, including schools, to notify the National Crime Agency (NCA) (section 52 of the Act) on observing signs or receiving intelligence relating to modern slavery. The public authority (including schools) bears this obligation where it has 'reasonable grounds to believe that a person may be a victim of slavery or human trafficking':
 Staff must be aware of the above and contact the DSL should they suspect or receive information that either parents or their children may be victims of modern slavery. The DSL should then contact the NCA
<u>Peer on Peer Abuse</u> occurs when a young person is exploited, bullied and / or harmed by their peers who are the same or similar age; everyone directly involved in peer on peer abuse is under the age of 18. Please see <u>Peer on Peer abuse Pan Lancashire procedures</u>

undertaken and appropriate and proportionate control measures put in place to manage and reduce risk. Seek advice from LCC Schools Safeguarding Officer
 Referrals to Children's Social Care, Police and/or other appropriate agencies will
be made where thresholds are met
 DSLs understand that regarding peer on peer abuse, the victim and the
perpetrator are likely to have unmet needs and require support and assessment
to determine these.
• The DSL will assess on a case-by-case basis, supported by children's social
care and the police if required to ensure the most appropriate response for the
children / young people involved.
The DSL will consider:
 the wishes of the victim in terms of how they want to proceed
 the nature of the alleged incident
 the ages of the children involved
 the development stages of the children involved
 any power imbalance between the children
 is the incident a one-off or a sustained pattern of abuse
 are there ongoing risks to the victim, other children, school or college staff contextual acforguarding incuracy
 contextual safeguarding issues
• Following a report of sexual violence, the designated safeguarding lead (or deputy) will make an immediate risk and needs assessment,
considering:
the victim
the alleged perpetrator
 all other children (and if appropriate adult students and staff).
Risk assessments will be recorded and kept under review as a minimum
termly.
Demostic charactic convincident or nottern of incidents of controlling convince

threatening behaviour, violence or abuse between those aged 16 and over who are, or have been, intimate partners or family members regardless of gender or sexuality.
The abuse can encompass, but is not limited to:

Exposure to domestic abuse and / or violence can have a serious, long lasting
emotional and psychological impact on children. In some cases, a child may blame
themselves for the abuse or may have had to leave the family home as a result.
• ALL staff and volunteers understand what domestic abuse is and the potential
impact upon children and how this might be displayed.

Addendum to Child Protection Policy COVID-19 school reopening arrangements for Safeguarding and Child Protection at St. Bernard's Catholic Primary School.

Date: May 29th 2020

Context : - From 20th March 2020 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response - who absolutely need to attend.

S & E GOVERNORS SEPT 2019 & Addendum approved May 2020

Schools and all childcare providers were asked to provide care for a limited number of children - children who are vulnerable, and children whose parents are critical to the COVID-19 response and cannot be safely cared for at home.

On May 10th, The Government announced that schools will gradually reopen their doors from June 1st. This addendum surrounds this procedure and details additional safeguarding arrangements and considerations for all staff in this transitional period.

or welfare	recognises that all safeguarding concerns must be reported and

ongoing	The DSL or Deputy DSL will be given the resources and time that
concerns	enable them to fulfil the role effectively, supporting staff and
	children with any new concerns. If there are special working arrangements in regards to the DSL or Deputies, St. Bernard's will ensure that all staff are made aware of such arrangements. St. Bernard's will ensure all staff are aware of important numbers and understand that anybody can make a referral.
	St. Bernards's recognises the importance that all safeguarding and welfare records held on individual children remain accurate. It is in the best interests of the child, that home and school communicate,

	to ensure that school is aware of any changes regarding welfare, health and wellbeing. We recognise the continued importance for school and college staff to work with and support children's social workers, the local authority virtual school head for looked-after and previously looked-after children and any other relevant safeguarding and welfare partners. It is a priority that school will act upon any updated advice received from the local authority regarding children with education, health and care plans, the LADO and children's social care, reporting mechanisms, referral thresholds. School will continue to input into the local arrangements working alongside
Managing Allegations against adults	partner agencies.Staff will continue to follow principles and guidance as in KCSIEPart 4 in view of reporting or acting upon any concernssurrounding an adult or volunteer who may pose a safeguardingrisk to children. St. Bernard's will ensure that all staff are aware ofreporting processes.
Peer on Peer Abuse	St. Bernard's recognises that in cases of peer on peer sexual abuse or sexual violence, the principles of KCSIE 2019 Section 5 should be followed but a revised process may be required for managing any report of such abuse and supporting victims, given the different circumstances schools and colleges are operating in. These circumstances should be taken into account when planning or revising any risk assessments.
Children who are not yet returning to school	Mrs Burrow / DSL will provide support to teachers and staff to ensure that contact is maintained with children (and their families) who are not yet returning to school. Staff will try (where possible) to speak directly to children to help identify any concerns.St. Bernard's and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.
	St. Bernard's recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers. Teachers will to be aware of this in setting expectations of pupils' work where they are at home.
	School will continue to ensure a safe online environment for those who remain at home. We will continue to ensure that appropriate filters and monitoring systems are in place to protect children when they are online on the school systems. All staff who interact with children, including online, will remain vigilant and continue to look out for signs a child may be at risk. Any such concerns should be escalated and reported.
Supporting Vulnerable children	For vulnerable children, attendance is expected, where it is appropriate for them to do so. (This may be following individualised risk assessments for children with an EHC Plan.) We will continue to liaise with, and notify social workers if a child is absent from school. Where children with a social worker do not attend when expected, school will follow this up by contacting a parent or carer

Safer Recruitment, Staff movement & Staff training	In the recruiting of new staff, we will continue to follow the relevant safer recruitment processes as detailed in KCSIE 2019 Part 3. Where school are utilising volunteers, we will continue to follow the checking and risk assessment process as set out in paragraphs 167 to 172 of KCSIE. Under no circumstances will a volunteer who has not been checked be left unsupervised or allowed to work in regulated activity. It will remain that new staff or volunteers will receive a complete safeguarding induction. In the cases of staff who are moving between sites to support current and temporary arrangements, school will assess the level of induction required. Whilst acknowledging the challenge of the current situation, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, St. Bernard's will continue to keep the single central record (SCR) up to date as outlined in paragraphs 148 to 156 in KCSIE.
Consideration	Due to the changing circumstances, this addendum will be monitored and reviewed on a regular basis, whilst being shared with all stakeholders.
