

English

We will be writing letters and descriptions, with a particular focus on varying punctuation and powerful adjectives.

We will also be looking at information texts.

PSHE

Looking at feelings and emotions. What makes us feel certain ways and how feelings can impact on behaviour.

We will also be looking at growing and keeping healthy.

Science

Looking at seasons and changes within them.

We will also be investigating light and carrying out colour experiments.

Computing

Using logical reasoning to make predictions.

RE

We will be looking at families and celebrations, particularly the ceremony of baptism and the symbols related to it.

PE

Athletics & Dance.

Maths

We will be looking at addition and subtraction, place value and multiples of 2, 5 and 10. We will move on to measuring length, height, weight and volume

Art/DT

Exploring colours. We will be looking at primary and secondary colours, making colour wheels and studying Kandinsky's work.

Spring Term 1
Year 1

Colour Carnival
