

Topic: Our world

Art

What should I already know?

- About the works of the artist and designer Clarice Cliff
- Children recreate their own design of Clarice Cliff's 'Circle Tree' plate using painted circles and trees blown with a straw on a paper plate.
- Children create secondary colours to use in their work by mixing primary colours.
- Evaluate identifying things to change or improve.

skills, knowledge and understanding

- To study different landscape paintings
- Make thumbnail sketches and record observations from the local environment
- To study the artist Van Gogh

Vocabulary

swirl

Texture

Colour

Shade

Hue

Mood

Appearance

Van Gogh

What I will know by the end of the unit

- About the work and life of Van Gogh
- How Van Gogh applied paint in thick, stiff brush strokes
- How the textures, colours used create different effects
- How colour and texture can create different moods
- By studying different works by Van Gogh observing how Van Gogh's mood was reflected in his art and how his artwork was affected by his mood
