

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Drawing	Exploration of materials Explicit teaching of techniques Application of knowledge and techniques	Exploration of materials Explicit teaching of techniques Application of knowledge and techniques	Invent marks and repeat for effect Combine drawing and resist Mix colours and combine shapes and marks Respond imaginatively to a story or poem about an invented creature Exploration of materials and art form	Explore materials and the effect of combining one medium with another Explicit teaching of techniques – using a viewfinder to observe and draw parts of natural objects Applying knowledge, skills and techniques	Explore materials and techniques Explicit teaching of techniques Applying knowledge, skills and techniques Evaluating outcomes	Exploration of materials Make reference to previous mark making Explicit teaching of techniques Application of knowledge and techniques
Painting	Exploration of materials Explicit teaching of skills Application of knowledge and techniques	Exploration of materials Explicit teaching of skills Application of knowledge and techniques	Applying knowledge, skills and techniques	Exploration of materials and methods Explicit teaching of techniques Application of knowledge and techniques Exploring the work of an artist Experimenting with techniques Applying knowledge, skills and techniques		Exploration of materials and art form Explicit teaching of techniques Applying knowledge, skills and techniques
Printmaking	Exploration of materials and art form Explicit teaching of techniques Applying knowledge, skills and techniques	Exploration of materials and art form Explicit teaching of techniques Applying knowledge, skills and techniques	Exploration of printing tools and materials Explicit teaching of techniques Application of knowledge and techniques	Exploration of materials and art form Explicit teaching of techniques Applying knowledge, skills and techniques	Exploration of materials Explicit teaching of techniques of reduction printing Application of knowledge and techniques previously learned	Explicit teaching of skills Application of skills and processes Explicit teaching techniques Combining techniques
Textiles	Exploration of materials and techniques Explicit teaching of techniques Applying knowledge, skills and techniques Combining materials	Applying skills and techniques Explicit teaching of techniques and exploring materials Explicit teaching of techniques and art form	Exploration of materials and art form Explicit teaching of techniques Applying knowledge, skills and techniques		Exploration of materials, texture and natural objects Explicit teaching of techniques such as loom making and raffia work Applying knowledge, skills and techniques	
Collage	Exploration of materials and art form Explicit teaching of techniques Applying knowledge, skills and techniques			Exploration of techniques Explicit teaching of techniques and exploration of materials Applying knowledge, skills and techniques		Exploration of materials and art form Explicit teaching of techniques Applying knowledge, skills and techniques
3D form and shape	Exploration of materials and techniques Explicit teaching of techniques Applying knowledge, skills and techniques	Exploration of art form and techniques Explicit teaching of techniques Applying knowledge, skills and techniques	Specific teaching of techniques and art form Exploring materials Specific teaching of sculptural techniques		Exploration of materials and techniques Explicit teaching of techniques Applying knowledge, skills and techniques	Applying and developing specific techniques Specific teaching of techniques Applying and combining techniques and art forms
Creative responses		Explanation of a stimulus and reflecting on skills learnt Response to a stimulus and revisiting of skills Applying knowledge, skills and techniques	Explanation of stimulus and reflection on the skills learnt Response to stimulus and revisiting of skills Applying knowledge, skills and techniques	Explanation of stimulus and reflection on the skills learnt Response to stimulus and revisiting of skills Applying knowledge, skills and techniques	Introducing a stimulus Reflecting on skills and techniques Responding to a stimulus Revisiting and refining skills and techniques Applying knowledge, skills and techniques	Introducing a stimulus Reflecting on skills and techniques Responding to a stimulus Revisiting and refining skills and techniques Applying knowledge, skills and techniques
