# St. Bridget's Catholic Primary School

# Remote Learning Policy

Headteacher: Mrs. Suzanne Smith

Chair of Governors: Mr. Paul Farran

#### RATIONALE:

St Bridget's Catholic Primary School will provide remote learning (online) for pupils who are not able to attend school due to government guidance so that no-one need fall too far behind. In the following points, an outline of the provision will be made and guidance given on the role of pupils, teachers and parents. St Bridget's Catholic Primary School is fully aware that these are exceptional times and would like to make it clear that this document seeks to inform, support and guide families and not impose unrealistic and draconian expectations. Each family is unique and because of this, should approach home learning in a way which suits their individual needs.

SPECIFIC AIMS AND PURPOSE:

- To outline St Bridget's Catholic Primary School's approach for pupils who, during periods of Lockdown, will not be attending school as a result of government guidance or due to continued shielding.
- To outline the expectations, roles and responsibilities of parents, families and their children in accessing and completing remote learning tasks at home.
- To outline St Bridget's Catholic Primary School's expectations for teaching staff who are teaching, marking and planning for pupils remotely during periods of school closure due to Lockdown.

FAMILY (PUPIL/PARENT/GUARDIAN) ROLE:

- Where possible, it is beneficial for children to maintain a regular and familiar routine. St Bridget's Catholic Primary School would recommend that each 'school day' maintains structure and routine.
- Each school day (Monday to Friday) work in English, Maths and Foundation Subjects (e.g., Art, Topic, R.E. etc.) will be posted on each individual class' Dojo page at regular intervals throughout the school day. Parents should support their children to access the learning and view the tasks and lessons together, and then make appropriate plans to complete the work.
- Should anything be unclear in the work that is set, parents can communicate with class teachers via Class Dojo.
- Work that children complete at home should be kept safe, ideally in their home learning book, and can be brought back to school when safe to do so.
- We would encourage parents to support their children's work, including finding an appropriate place to work and, to the best of their ability, support pupils with work encouraging them to work with good levels of concentration.
- Be respectful when making any worries or concerns known to staff.
- Families should make the school aware if their child is sick or otherwise can't complete work.
- Every effort will be made by staff to ensure that work is set promptly on the Class Dojo platform. Should accessing work be an issue, parents should contact school promptly and alternative solutions may be available. These will be discussed on a case-by-case basis.

#### SCHOOL EXPECTATIONS:

In addition to their in-school work with Key Worker and vulnerable pupils, teachers and support staff from St Bridget's Catholic Primary School will continue to support children at home who are unable to attend.

- Teachers will plan lessons that are relevant to the curriculum focus for that year group and endeavour to replicate this through video clips and a series of meaningful tasks for home learners.
- Teachers will use a combination of pre-recorded videos (made either by themselves of them teaching or using reliable sites such as White Rose Maths Resources, Oak National Academy, BBC Bitesize etc. ) for key teaching points in English, Maths and a range of other subjects and upload onto Class Dojo for each lesson.
- Any resources used, including websites and worksheets will be shared with home learners. Teachers will do this via Class Dojo and it will be the responsibility of families to print these resources at home or encourage children to copy the work required into their home learning books.
- Teachers will, within reason, respond promptly to requests for support from families at home. This should be done via the message facility in Class Dojo or if necessary, by a telephone conversation.
- When providing remote learning, teachers must be available between 9am and 3pm.
- Teachers will provide positive support and feedback on children's work via the child's Class Dojo Portfolio or through the message facility on Class Dojo.
- Should a staff member require support with the use of technology, it is their responsibility to seek this support in school and Senior Leaders will ensure that support is given promptly.
- School staff will endeavour to make regular contact with families who are not accessing the learning provided by teachers on Class Dojo via phone calls. They will aim to support families as much as possible with home learning tasks.
- In exceptional circumstances, children who are struggling to access and complete work at home MAY be offered a place to attend school (depending on numbers of key worker and vulnerable children).
- Teachers will not be expected to answer messages from parents and pupils during the set 'quiet hours' already stated in the Class Dojo Policy. The agreed quiet hours are between 9.30pm and 7.30am, Mondays to Fridays with no expectation of communication at weekends or during school holidays.

- Seek help if they need it, from teachers.

# MONITORING OF THE POLICY:

Monitoring of the policy will be by Senior Leaders who may ask to view the Class Dojo page and the learning taking place on there to ensure the policy is being adhered to.

Remote Learning: Responsible User Agreement

Your teachers want to keep you safe and make sure you continue to learn if you have to do your school lessons at home.

To make sure this happens, we have listed our expectations for how we will all work virtually.

Please read the expectations below and ask your class teacher if are unsure of anything.

While working virtually:

• I will check the activities on Class Dojo every morning.

• I will follow instructions carefully, so that I understand what my teacher wants me to learn before I complete the activities.

- I will use Class Dojo and all communications will focus on learning.
- I will complete the work my teacher gives me to the best of my ability.
- I will try to complete all the work set each day.

• When my teacher marks my work, I will read any comments and think about how I can improve my work.

• I will contact my teacher on Class Dojo if I do not understand the learning or I am unsure of what to do.

- I will always communicate in a sensible and respectful manner.
- I am aware of how to stay safe online.
- I will contact my teacher on Class Dojo if I am worried about anything.
