

HAPPY FRIDAY!

Our third week of the term completed, another 3 to go! We would like to thank our Parents for lateral flowing their child/children when advised to and following our local guidance. Hopefully by doing this we can slow down the spread of COVID-19 throughout the school together.

Reminders

Dinner forms are sent out every Monday for the following week. Please remember that the deadline for completion is **every Friday 12 noon!**

Please remember to keep the office informed of any changes in medical conditions, contact numbers or email addresses.

Quote of the Week!

COVID-19 NOTICE FOR PARENTS/CARERS

This week we have continued to see a rise in in-setting transmissions and for outbreak management purposes, Public Health Cumbria now strongly advises families to follow the enhanced guidance. This is where children who are household contacts of **a positive case**, stay at home for 5 days and go for a PCR test on day 5.

A reminder that those children with positive cases in their class need to continue **daily** LFD testing before coming to school in order to prevent unknown transmission.

We are asking parents and carers to follow this advice until Monday 30th January to see if we can get on top of the numbers of children testing positive in school.
