

### MENTAL HEALTH AWARENESS WEEK

UK Mental Health Awareness Week will take place from the 10th to the 16th May 2021. This year's theme is nature and the environment. The evidence is clear this access to nature is crucial for our mental health, and millions of people discovered that during lockdowns in 2020. We are asking for a small donation of £1.00 and for all children to come dressed in **green or something nature themed** to raise awareness.

Please remember to keep the office informed of any changes in medical conditions, emergency contact numbers & email addresses via the school email address.
