
Sports Premium

2023/2024

SUMMER TERM

St Bridget's CE School

Authored by: Miss B Bell

What is the PE and sport premium for primary schools?

The primary PE and sport premium was introduced in March 2013 to improve the provision of physical education and school sport in primary schools across England. The £150 million per year funding is provided jointly by the Departments for Education, Health, and Culture, Media and Sport (DfE, DH, DCMS). The money has been allocated directly to primary schools and we can choose how we use the funding, for example:

1. Hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons.
2. Support and involve the least active children by running after-school sports clubs and holiday clubs.
3. Provide resources and training courses in PE and sport for teachers.
4. Run sport competitions or increase pupils' participation in the School Games.
5. Run sports activities with other schools.

The National Curriculum aims are for all children:

- To be physically active, working towards a target of 30 minutes activity during and after the school day (excluding general play times)
- To excel in a broad range of activities
- To engage in competition
- To lead healthy lifestyles
- To be competent in swimming and water safety by the end of KS2

We have used the Sport Premium funding to help us achieve national curriculum requirements by:

- Offering a broad range of sport and activity in both PE and after school clubs
- Staff completing relevant training to increase confidence and competence in the delivery and assessment of PE
- Allowing children to take part in a range of competitive opportunities
- Paying for transport to and from events, competitions and swimming lessons
- Employing specialist coaches and visitors to come into school and deliver engaging and inspiring sessions throughout the school
- Supplying children with swimming lessons in both Key Stage 1 and 2

St Bridget's Swimming and Water Safety

<u>2023/24 Swimming and Water Safety data YEAR 6</u>	
<u>Number of children in year 6 = 8</u>	
<u>Objective</u>	<u>Number of children meeting national curriculum objective</u>
Children can swim competently, confidently and proficiently over a distance of at least 25 metres.	8
Children use a range of strokes effectively.	8
Children can perform safe self-rescue in different water-based situations.	8

<u>2024/25 Action Plan</u>	
If children are not on track to meet the National Curriculum requirements by the end of year 6	KS2 to attend one week of intense swimming lessons in the Autumn term. KS1 to attend in the spring term and any KS2 children not yet meeting curriculum requirements.
If children are meeting the National Curriculum requirements before the end of year 6	Children in year 6 to attend Whitehaven Youth Harbour project, where they swim in open water and further increase their knowledge and skills regarding wild swimming safety.

Total sports premium funding allocated for 2023/24: £16, 680

1. Hiring specialist coaches to work with primary teachers during PE lessons

Intent	Implementation	Funding allocated	Impact
To provide children with consistent, high quality PE lessons with a qualified coach.	Reds in the Community Sports coach delivering PE from Spring 1	£1920.00	Since the Spring term we have had a sports coach delivering PE alongside teachers and support staff. This has had a really positive impact on

			<p>PE teaching and the progress of the children. In a pupil focus group, children across all year groups demonstrated that the structure of PE was consistent and they knew what to expect at each PE lesson. Children were also able to use key language and vocab in context with the sports they had been learning. It was also evident that the children had been learning and developing the skills and knowledge set out in our curriculum. The sports coach has also been very inclusive and has gone out of his way to include everyone in the PE lessons, including those with SEN. Children across school have stated how much they enjoy their PE lessons with the coach and all come into school very</p>

			excited on a Wednesday morning!
To provide KS1 children with an extensive block of swimming. To give children the opportunity to experience visiting a public swimming pool and build strong foundations for swimming for when they enter KS2.	GLL block of swimming lessons for KS1	£750	Children thoroughly enjoyed the block of swimming lessons. These lessons promote independence of the children for managing themselves and getting themselves dressed and undressed. The sessions have helped to reduce anxieties for children with special educational needs and have also encourage children to visit the leisure center outside of school and even start lessons. We will continue the lessons for the coming years.
To inspire children to take part in sport regardless of ability.	Wheelchair basketball workshop	£160	In pupil feedback the children said that they thoroughly enjoyed the session and felt really inspired by Nats story.
To provide the opportunity for children to	Maypole workshop	£599	The children enjoyed learning new skills and taking part in a

engage in a unique experience and to develop their coordination, teamwork skills and their music and movement skills.			unique activity. The session was inclusive and accessible to all and even children who wouldn't normally enjoy group activities got fully involved.
	Further actions to be taken:	<ul style="list-style-type: none"> - Book the maypole session for 23/24 - Book an extra week of extensive swimming lessons for KS2 if children are still not meeting the curriculum requirements after their second blocks with KS1 children. - Continue to work with Reds in the Community for the delivery of PE and sign up to their school sporting events. 	

2. Support to involve the least active children by running after-school sports clubs and holiday clubs.

Intent	Implementation	Funding allocated	Impact
To provide children with the opportunity to develop their skills and experiences in a unique sport	Extra-curricular Judo offered year round	Coach – £923.50 Judogis - £294.99	Judo has been a real hit this year with regular attendees each week for the whole year round! Children have reported that they have really enjoyed trying a

			new sport and learning new skills. Judo has also benefitted some children who would not normally take part in sport outside of school.
To encourage children of all backgrounds, ages and abilities to get involved with sport and physical activities. To introduce children to new games that they can continue to use during breaks and lunch times.	Sports leaders in place from Autumn 2	Equipment - £274.99	The sports leaders have had a very positive impact on our lunch times. The sports leaders had training in October and they have really taken ownership in organizing activities with the equipment they have. The sports leaders have also promoted positive behavior on the playground by rewarding children with dojo's.
To encourage children in KS2 to take part in a range of sports to prepare for events and fixtures.	Miss Bell delivered after school netball, football and rounders.	Equipment - £396.00	Sports club has been our most populated club this year. The clubs have been very inclusive and children with different backgrounds and abilities have

			attended the clubs and sporting events. More noticeably this year, children have maintained their attendance at each sports club and have attended week in week out. Where as in previous years this was not the case.
	Further actions to be taken:	<ul style="list-style-type: none"> - Sign post families to sporting opportunities outside of school - Active lunch equipment to be monitored by sports leaders and adults on duty. - Sports leaders to retrain with the SGO early in the year. - Sports leaders to attend an event hosted by the SGO. - Provide opportunity for children to take Judo further by earning belts. - Continue attending SGO events - Continue with fixtures against Lowca and other local schools. 	

3. Provide resources and training in PE and sport for teachers

Intent	Action	Funding allocated	Impact
--------	--------	-------------------	--------

To provide a carefully planned and progressive curriculum, where teachers can feel confident to teach from expert planning.	The PE Hub scheme yearly subscription	£455	The PE hub provides a carefully planned progressive curriculum. There is access to knowledge organisers and skill videos for less competent staff to engage with. This ensures that quality PE lessons are always delivered. From feedback, the children enjoy the sports and activities that are on offer in their curriculum. Staff have also identified that they find the PE hub simple to use.
	Further actions to be taken:	<ul style="list-style-type: none"> - Continue with the PE hub scheme as Reds in the Community use the same one. - Continue with Reds in the Community delivering PE lessons. - SGO to deliver assembly including staff about the School Games in the Autumn term. 	

4. Run sport competitions or increase pupils' participation in the School Games. Run sports activities with other schools.

Intent	Implementation	Funding allocated	Impact
To provide opportunities for children of all backgrounds, ages and abilities to engage with a wide range of competitive and non-competitive sports and activities.	The school, in agreement with other local schools, pays into a yearly fund to help employ a sports coordinator at the local secondary school.	£650	The sports coordinator is able to organise a wide variety of events providing opportunities for all children to gain experience, develop their skill and a lifelong love for sport and physical activity.
To provide children in KS2, including pupil premium and those with a special educational need, with the opportunity to get involved with sports festivals involving a number of other schools.	KS2 have attended various events this year organised by the SGO. Including athletics, tri-golf, cricket and multiskills. KS2 have also taken part in a few fixtures with Lowca Community school this year including netball twice and rounders.	Buses - £470	Children across all year groups including those with SEN have stated how much they enjoyed attending the events and trying something new. All children particularly like our fixtures with Lowca and are always asking when the next one is. Children have demonstrated respect and sportsmanship throughout.
To provide children in KS1, including pupil premium and those with a special educational	KS1 have attended a multiskills events organised by the SGO and a rounders fixture with Lowca Community School		

need, with the opportunity to get involved with sports festivals involving a number of other schools.			
To achieve Gold in the school games mark	B.Bell fully responsible of organising our engagement with the school games mark.	£1833.41	Due to our consistent engagement with the School Games this year and the work the PE lead has been doing behind the scenes. Our school achieved Gold in the school games this year!
	Further actions to be taken:	<ul style="list-style-type: none"> - Work towards achieving platinum in the school games mark. - Have more pupil engagement with other roles in sport (opportunities to referee/umpire, opportunities to attend events and write up a report etc) - Map out sporting events calendar at the beginning of the year so things can be organised well in advance involving other schools in the local area. 	

Other

Intent	Implementation	Funding allocated	Impact
To provide alternative opportunities for children of all backgrounds, ages and abilities to engage with physical activity.	The school attended the U-Dance festival. Children attended afterschool club each week to learn a dance sequence and build an understanding of how dance can be used to express emotions and messages.	Bus - £130	U-dance was popular this year, particularly sparking the interest of boys who wouldn't normally engage with physical activity and sport clubs in or out of school. Children have expressed how much they enjoyed learning their dance routine and performing for their families at the event.

Total sports premium funding spent in 2023/24: £8,856.48
