

Option for poor and vulnerable - English

All people are sacred, made in the image and likeness of God. People do not lose dignity because of disability, poverty, age, lack of success, or race. We believe every human person is made in the image and likeness of God. This is a gift that we all share as fellow human beings; we are all infinitely loved by our Creator. God is present in every human person, regardless of religion, culture, nationality, orientation, or economic standing. Each one of us is unique and beautiful. We are called to treat every person and every creature with loving respect.

What impact did the Great Depression have on the weakest members in society?
