

Care for God's Creation – Year 7

The goods of the earth are gifts from God. We have a responsibility to care for these goods as stewards and trustees, not as mere consumers and users. In 2015, Pope Francis brought together decades of Church teaching in the encyclical, *Laudato Si'*. In this deeply influential letter, Pope Francis invites everyone on the planet to consider how our actions are affecting the earth and the poorest people. Everything is interconnected, and all of creation praises God. It is our Christian vocation to care for creation.

Why do we need recycling and how does this impact the environment?

What can we do as a school or individuals to ensure we are making that positive change for the future?
