

Care for God's Creation

The goods of the earth are gifts from God. We have a responsibility to care for these goods as stewards and trustees, not as mere consumers and users. In 2015, Pope Francis brought together decades of Church teaching in the encyclical, *Laudato Si'*. In this deeply influential letter, Pope Francis invites everyone on the planet to consider how our actions are affecting the earth and the poorest people. Everything is interconnected, and all of creation praises God. It is our Christian vocation to care for creation.

Explain the differences between medieval and early modern towns.
To what extent did living conditions improve over the time periods?
