

# Pupil Leadership and School Ambassadors

**Head Prefects**

**Student Council**

**Catholic Heart**

**Anti-Bullying**

**Physical Health and Sport**

**Mental Health and Wellbeing**

**Equality and Diversity**

**Transition and Literacy**

- Our eight specific pupil groups give you the voice to be heard regarding the various themes that contribute to our personal development offer in school.
- Our pupil groups offer a place to talk, enhance attention and create a sense of pupil leadership.
- Each group are led by our Y11 Senior Prefects but any pupil can join any group (aside from Head Prefects and Student Council) as a group ambassador.
- As an ambassador you will receive an ambassador badge in the colour of that group and, under the guidance of a teacher and our Senior Prefects, you will recruit, campaign, raise awareness, offer a comfortable space to chat, and organise/participate in thematic weeks, assemblies and form activities throughout the year.

**Be the voice of your school and make a difference**
