Examples Within the Curriculum

Year 7

Task	Text	Task	Personal Development	Unit and Lesson
1	What is the etiquette for online behaviour?	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	1,6	Introductory Unit lesson 3

2	How drone technology is helping to protect and track endangered animals.	Active listening whilst article is being read. Summarise the article in 5 points. Answer evaluation and reflection questions.	12 (Care for God's Creation), 9	Using Documents lesson 4
3	A picture is worth a thousand words.	Active listening whilst article is being read. Produce a list of top tips for secure passwords. Answer evaluation and reflection questions.	6,9	Networks Unit lesson 3
4	GCSE student gets \$1m for AI start-up	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions. Produce a diary entry describing the new idea the pupil has come up with.	13	Scratch Lesson 1
5	How was Mufasa brought to life?	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	10, 13	Animation Project Lesson 2
6	Should AI do my homework?	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	8, 10, 11	Using Media ?

Year 8

Task	Text	Task	Personal Development	Unit and Lesson
1	How AI is changing football	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	10,13	Computer Systems lesson 5

2	Would you eat printed food?	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	10	Tinkercad 3D Modelling Lesson 3
3	Tests show we can't spot AI paintings	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	9,10	Data Representation lesson 4
4	Droid Factory to churn out humanoid workers	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	13	Programming with Turing Lab Lesson 3
5	Robots helping pupils attend school	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	2, 9, 13	Microbit Lesson 4
6	AI used to create one last Beatles song	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	10	Image handling Lesson 4

Year 9

Task	Text	Task	Personal Development	Unit and Lesson
1	Introducing the crime fighting AI Granny	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	8,9	Cyber Security lesson 5
2	3D printing for the Moon	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	13	3D Modelling Lesson 2
3	The device that comes after the smartphone	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	13	Python Programming Lesson 4
4	Dumbphone sales double year on year	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	9,13	Mobile App Lesson 2
5	How does TikTok use your data?	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	10	Practical algorithms Lesson 3

6	The AI that gently sets you straight	Active listening whilst article is being read. Summarise the article in 5 points Answer evaluation and reflection questions.	9,10	Web Development Lesson 3
---	--------------------------------------	--	------	--------------------------

Year 10 Computer Science

Task	Text	Task	Personal Development	Unit and Lesson
1	Dawn of the cyborg	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	13	Data Storage Lesson
2	Apple launches phone that can think for us	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	9, 10, 13	Algorithms Lesson
3	Humans need not apply for this job	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	10, 13	System architecture

Task	Text	Task	Personal Development	Unit and Lesson
4	First AI classroom launches in London	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	10, 13	Programming Fundamentals
5	Smart Bags	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	13	Practical Programming Lesson
6	The Optical Pony Express	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	13	Networks Lesson

Year 10 Creative iMedia

Task	Text	Task	Personal Development	Unit and Lesson
1	Is creativity dead?	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	9,10	
2	Robots mean 'more jobs for video gamers.'	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online.	13	

		Answer evaluation and reflection questions.		
3	Graphic novels take over as sales boom	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	10	
4	Growing calls to ban photo enhancement	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	10	
5	Smart Bags	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	13	
6	AI and Anxiety	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	13, 9	

Year 11 Computer Science

Task	Text	Task	Personal Development	Unit and Lesson
1	Algorithms Explain Yourself	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	8, 9, 10	

2	AI will be conscious soon	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	13	
3	The Cybersecurity Honey Pot	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	10, 13	
4	The music industry and AI	Active listening whilst article is being read. Produce a top 5 tips for positive behaviour online. Answer evaluation and reflection questions.	8, 10, 13
