# Design Technology Prayer

We pray for all scientists, engineers, students,  
Teachers, physicians and technicians,  
Who work diligently to unfold your holy  
mysteries.

We ask for your blessing on each one of them.

May these technological developments be used for  
the good of all and to alleviate suffering from  
the world.

**Amen**

*He has filled them with skill to do every sort  
of work done by an engraver or by a designer  
or by an embroiderer in blue and purple  
and scarlet yarns and fine twined linen,  
or by a weaver - by any sort of workman or  
skilled designer*
