R.C. High School

Geography Department Prayer

Holy Spirit, Open our hearts and minds as we say this prayer.
Asking for strength and courage in our journeys through life.

Guide us, Holy Spirit, on the paths that lead to justice.

We ask for wisdom and knowledge to do your will.

Help us to realise our dreams of a better world

For all humanity and the whole earth community.

Forgive us for all our past wrongs

May your forgiveness free us to love and serve.

We ask for your guidance this day.

May we be gentle and kind with ourselves and each other

That we might serve one another and all creation with love.

Amen

*The wind blows to the south and goes around to
the north; around and around goes the wind, and on its
circuits the wind returns. All streams run to the sea,
but the sea is not full; to the place where the streams flow,
there they flow again.*
