Maths Prayer

Dear God,
May we, through your blessings,
Add purity to the world,
Subtract evil from our lives,
Multiply your good news,
And **divide** your gifts and share them with others.
Amen

*This is how you are to make it: the length of
the ark 300 cubits, its breadth 50 cubits,
and its height 30 cubits.*

*Make a roof for the ark, and finish it to a cubit
above, and set the door of the ark in its side.
Make it with lower, second, and third decks.*
