#### Rationale:

- 1. Prioritise 'disciplinary literacy' across the curriculum
- 2. Provide targeted vocabulary instruction in every subject
- 3. Develop students' ability to read complex academic texts
- 4. Break down complex writing tasks
- 5. Combine writing instruction with reading in every subject
- 6. Provide opportunities for structured talk

#### KS3

The below articles and passages make up our KS3 Reading List. These articles and passages are used when appropriate, alongside our practical curriculum. These maybe set at homework tasks, ERIC activities or Extreme weather lessons.

#### **Topic: Discrimination in Sport**

| Task | Text                                            | Task                                                                                                                                      | Recommendations |
|------|-------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|-----------------|
| 1    | Discrimination in sport and possible solutions  | Guided reading task with focused questions on the chosen content to lead discussions and familiarisation with key tier 2 and 3 vocabulary | 1,2,3,6         |
| 2    | European Union-Fighting discrimination in sport | Identification of new vocabulary using the SEEC model to select, explain, explore, and consolidate new vocabulary                         | 1,2,3,5         |
| 3    | House of Commons-discrimination in sport        | Guided reading task and exploring an officially published paper's structure                                                               | 1,2,3,6         |
| 4    | Protected Characteristics and Sport             | Reading, discussion, and a written task to summarise the discussed task                                                                   | 1,2,3,4,5,6     |
| 5    | Homophobia in Sport                             | Identification of new vocabulary using the SEEC model to select, explain, explore, and consolidate new vocabulary                         | 1,2,3,5         |

| 6 | Disability and Sport | Reading, discussion, and a written task to summarise the | 1,2,3,4,5,6 |
|---|----------------------|----------------------------------------------------------|-------------|
|   |                      | discussed task                                           |             |

### **Topic: Healthy Active Life-Styles**

| Task | Text                                   | Task                                                                                                                                     | Recommendations |
|------|----------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|-----------------|
| 1    | Balanced Diet                          | Guided reading task and focused questions on the chosen content to lead discussions and familiarisation with key tier 2 and 3 vocabulary | 1,2,3,6         |
| 2    | Healthy Lifestyles                     | Reading, discussion, and a written task to summarise the discussed task                                                                  | 1,2,3,4,5,6     |
| 3    | Health- what is it?                    | Identification of new vocabulary using the SEEC model to select, explain, explore, and consolidate new vocabulary                        | 1,2,3,5         |
| 4    | Exercise to relieve stress             | Guided reading task and focused questions on the chosen content to lead discussions and familiarisation with key tier 2 and 3 vocabulary | 1,2,3,6         |
| 5    | Youth Sports Trust- Get together guide | Guided reading task and exploring an officially published guide form a national body                                                     | 1,2,3,6         |
| 6    | Elite Athletes and Mental Health       | Identification of new vocabulary using the SEEC model to select, explain, explore, and consolidate new vocabulary                        | 1,2,3,5         |

## **Topic: Against the Odds, Adherence and Motivation**

| Task | Text | Task | Recommendations |
|------|------|------|-----------------|
|      |      |      |                 |

| 1 | An Incredible Story of Adherence                                   | Identification of new vocabulary using the SEEC model to select, explain, explore, and consolidate new vocabulary                        | 1,2,3,5     |
|---|--------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| 2 | 5 Athletes who can only motivate you                               | Guided reading task and focused questions on the chosen content to lead discussions and familiarisation with key tier 2 and 3 vocabulary | 1,2,3,6     |
| 3 | Against the Odds: Steve Davis                                      | Guided reading task and focused questions on the chosen content to lead discussions and familiarisation with key tier 2 and 3 vocabulary | 1,2,3,6     |
| 4 | Against the Odds: Tiger Woods                                      | Identification of new vocabulary using the SEEC model to select, explain, explore, and consolidate new vocabulary                        | 1,2,3,5     |
| 5 | Against the Odds: Leicester City                                   | Reading, discussion, and a written task to summarise the discussed task                                                                  | 1,2,3,4,5,6 |
| 6 | The Exercise-Affect-Adherence Pathway: An evolutionary perspective | Guided reading task and exploring a hypothesis and theory article from a published journal                                               | 1,2,3,6     |

# <u>KS4</u>

### <u>Year 10</u>

| Task | Text                                                              | Task                                                                    | Recommendations | Unit and Lesson                                                        |
|------|-------------------------------------------------------------------|-------------------------------------------------------------------------|-----------------|------------------------------------------------------------------------|
| 1    | Participation in Sport trends (Sport England: the impact of 2012) | Reading, discussion, and a written task to summarise the discussed task | 1,2,3,4,5       | Engagement Patterns of Different Social Groups: Participation in Sport |

| 2 | Influences of Media in Sport          | Guided reading task and focused questions on the chosen content to lead discussions and familiarisation with key tier 2 and 3 vocabulary | 1,2,3,6   | Commercialisation: Influence of different types of Media in Sport                              |
|---|---------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|-----------|------------------------------------------------------------------------------------------------|
| 3 | Commercialisation and Golden Triangle | Identification of new vocabulary using the SEEC model to select, explain, explore, and consolidate new vocabulary                        | 1,2,3,5   | Commercialisation of Physical Activity and Sport: Commercialisation                            |
| 4 | What is a Healthy Diet?               | Reading, discussion, and a written task to summarise the discussed task                                                                  | 1,2,3,4,5 | Health, Fitness and Well-Being:<br>Diet and Nutrition                                          |
| 5 | Adherence to Training                 | Reading, discussion, and extended writing style exam question using PEEL-Point, Example/Evidence, Explain, Link to the question.         | 1,2,3,4,5 | Sports Psychology: Goal Setting                                                                |
| 6 | 5 Athletes who can only motivate you  | Guided reading task and focused questions on the chosen content to lead discussions and familiarisation with key tier 2 and 3 vocabulary | 1,2,3,6   | Engagement Patterns of Different Social Groups: How Different Factors Can Affect Participation |

### <u>Year 11</u>

| Task | Text | Task | Recommendations | Unit and Lesson |
|------|------|------|-----------------|-----------------|
|      |      |      |                 |                 |

| 1 | Feedback and Guidance                | Reading, discussion, and extended writing style exam question using PEEL-Point, Example/Evidence, Explain, Link to the question.         | 1,2,3,4,5 | Sports Psychology: Feedback and Guidance                                 |
|---|--------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|-----------|--------------------------------------------------------------------------|
| 2 | Drugs in sport                       | Guided reading task and focused questions on the chosen content to lead discussions and familiarisation with key tier 2 and 3 vocabulary | 1,2,3,6   | Ethical and Social Issues in Physical Activity and Sport: Drugs in Sport |
| 3 | Sports psychology-motivation         | Identification of new vocabulary using the SEEC model to select, explain, explore, and consolidate new vocabulary                        | 1,2,3,5   | Sport Psychology: Goal Setting                                           |
| 4 | Optimizing Training                  | Reading, discussion, and extended writing style exam question using PEEL-Point, Example/Evidence, Explain, Link to the question.         | 1,2,3,4,5 | Optimising training                                                      |
| 5 | Sports Psychology-mental preparation | Identification of new vocabulary using the SEEC model to select, explain, explore, and consolidate new vocabulary                        | 1,2,3,5   | Sports Psychology: Mental Preparation                                    |
| 6 | Careers in Sport                     | Guided reading task and focused questions on the chosen content to lead discussions                                                      | 1,6       | Links to CEIAG                                                           |
