Religious Education Prayer

Dear Lord,

Guide us to greater wisdom through our learning in RE. Help us to be open to Your presence in our daily lives. Enable us to develop a greater appreciation of our own faith, and a better understanding of the faith of others. Give us courage to put our faith into action.

We ask this through Christ our Lord,

Amen

'Fan into Flame the gift of God'

This has been chosen because the purpose of RE in catholic schools is to help pupils understand the faith that makes them who they are. In dialogue with others who do not share this world view. In a way that enables all pupils to answer deepest questions of their own existence. To take the spark of interest and fan into flame their curiosity.
