Science Prayer

Lord, For the Christian, every walk of life is a ministry that must be done with love.

A scientist shows their love for God, for people and the rest of creation through their work in the Lab.

They pour themselves into their work wholeheartedly, trusting that God will guide and use their efforts to good effect.

Amen

*Can you bind the chains of the Pleiades
or loose the cords of Orion?*

*Can you lead forth the Mazzaroth in their season,
or can you guide the Bear with its children.*

Do you know the ordinances of the heavens?

Can you establish their rule on the earth?

Job 38:31-33
