

St Cecilia's

R. C. High School

Uniform and Equipment Policy

2026/27

Introduction

At St Cecilia's, we take great pride in the high standards of our uniform, which is evident when you see our pupils in school or on their way to and from school. Our uniform reflects the school's identity, supports student wellbeing, and promotes a sense of equality. Pupils often share that wearing the uniform - and wearing it correctly - helps reduce peer pressure and fosters a stronger sense of inclusion for everyone.

All students are expected to follow our uniform policy - this includes travelling to and from school.

Parents, carers, and pupils show their support for this policy by reviewing and agreeing to our Whole School Agreement each year.

*If unsure about an item, **please check with school before purchasing.***

The Headteacher's decision on uniform items is final.

"Wearing the uniform correctly is like showing pride in your school. It's part of our identity and how others see us." Year 10 pupil

"Wearing the uniform properly shows respect for the school and ourselves. It makes us look smart and ready to learn." Year 8 pupil
