A very warm welcome to **St. Chad's Catholic Primary School**

I am proud to be the Headteacher of this welcoming, happy and calm learning community where the school's values and mission statement, 'come as you are and walk with us', are reflected in every aspect of school life.

We are a wonderful school where "warm relationships exist between pupils and staff and everyone is included." (Ofsted, 2023). At St. Chad's, we are a small, friendly school, which is part of the wider family of schools within the Bishop Hogarth Catholic Education Trust.

St. Chad's offers a safe and secure environment in which children feel happy and are given opportunities to reach their full potential. We inspire children to learn from good examples, and always encourage co-operation and self-discipline. We encourage children to take responsibility for their own actions and to show a caring attitude towards others.

Our curriculum is designed to motivate all children and is adapted to meet the needs of all our learners. We have the highest expectations of what our children can achieve. Our fantastic team strive to inspire, enthuse and motivate all children to develop a lifelong love of learning, and we believe that every child has the capacity to succeed. We promote Gospel values and virtues within school, and every person is valued, nurtured and respected as an individual, made in the image of Christ.

All are welcome in our wonderful school. Please contact the school office so that we can arrange for you to come and look around.

Miss Jenna Ellison
Headteacher

Why choose our school?

By choosing St. Chad's, your child will embark on a fantastic learning journey where they will flourish. At the heart of St. Chad's lies our exceptional Forest School programme, where nature becomes the classroom and curiosity thrives. Forest School allows our pupils to experience alternative ways of learning, by immersing them in hands-on activities, fostering creativity, resilience, and a deep connection with nature.

Our school is a fantastic place to learn with dedicated staff and a supportive learning environment. We create a love for learning and instill values that shape compassionate and resilient individuals.

Our commitment to each child's well-being extends beyond the classroom. St Chad's is a safe and enriching environment where each individual pupil can excel.

We can't wait to inspire a future filled with limitless possibilities for your child.

'Children get off to a strong start in reception, they learn to express their feelings and emotions in a supportive and safe environment.'

Special educational needs and disabilities

As an inclusive school, all teachers at St Chad's teach pupils with special educational needs and disabilities (SEND). We deliver a curriculum and create an environment that meets the needs of every pupil within our school. We ensure that every pupil with SEND makes the best progress possible.

We foster and promote effective working partnerships with parents, carers, pupils, and outside agencies. We consider the 'whole' child and ensure that all our SEND pupils are prepared for adulthood.

Apply for a place at St. Chad's

Starting primary school is a very important time for you and your child. At St. Chad's, we aim to make this a happy experience for everyone. Children can start school in our reception class in the September of the academic year in which they will be five years old.

To gain a place at St. Chad's, you will need to apply through Durham County Council's website. Please follow the link for more information or scan the QR code. Alternatively, you can contact the school office.
<https://stchads.bhcet.org.uk/information/admissions-policy>

If your child is not already attending our school nursery, they will be invited to spend some time with their new teacher and other children from their class in the summer term in order to familiarise themselves with the school environment. We also have an information evening for our new reception class parents held in the summer term.

If your child is looking to join our school mid-year, please apply through Durham County Council's website (<https://www.durham.gov.uk/primaryschoolplaces>). We highly recommend contacting the school in the first instance for a visit.

Nursery Admissions

At St. Chad's, we offer a wonderful nursery setting for three year olds and above. The nursery is open from 8:45am - 3:15pm (term time only) and can be a mix of both government funded hours and private payment. Please visit our website or contact the school office for more information.
