

# Year 1 Home Learning Activities

Websites the children have a login for:

- Oxfordowl.co.uk
- Nightzookeeper.com
- Athletics.co.uk

Other websites you may want to use:

- Bbc.co.uk/bitesize
- Topmarks.co.uk
- Phonicsplay.co.uk

## Literacy Activities

- Who is your favourite superhero? Can you do some research and write down your favourite facts?
- Superheroes don't have to be cartoons. Can you find out about a real life superhero?
- Keep a diary about what you've been doing at home or at school this week.
- Go outside with some water. Can you write the sounds your adult or sibling gives you with the water?
- Practice letter formation in your RWI book. What's the most creative thing you can use to fill some pages in (paint, water, pens etc)
- READ, READ, READ!
- Play snap with the tricky word cards - write some out and read them with your adult.
- Which book would you recommend to your friends? Why?
- Can you describe your favourite character in your book?

## Topic/ Science Activities

- Practice writing your name in bubble writing. Can you design a superhero badge using your initials?
- Interview your grown up. What was life like when they were little? What was their school like? What did they like to play with?
- Design a creature that has the body of a mammal, the head of an amphibian, the tail of reptile and the legs of a bird.
- Place a **carrot top** or **tops** in a bowl, cut side down. Fill the bowl with about an inch of water so the **top** is halfway covered. Place the dish in a sunny windowsill and change the water every day.

## Religion Activities

- Lent is a time to change our behaviour to be more like Jesus. Have a look at the picture cards below and act them out with your grown up/sibling. How could you change the bad behaviour to make everyone happier? Act it out.
- Read the story of how Jesus healed the Blind Man (Matthew 9.27-31)  
<https://www.bible.com/bible/1359/MAT.9.27-31.ICB>  
<https://www.youtube.com/watch?v=X4qZ2KSbdxI>  
Have a think? How can you be like Jesus, even if you can't make blind people see?
- Jesus said we must be good and follow in his ways. How can you follow in Jesus' footsteps? Draw round your foot and write how you will be like him. Decorate it.

## Maths Activities

- Help your adult with the washing. How many socks can you count? Pair them up. How many pairs have you got?
- Write a mix of numbers from 1-20 on the floor outside (use chalk or a stone!) Throw a ball. Add the two numbers that you hit together.
- Write numbers on the floor. Kick a ball. Subtract the number you hit from 20.
- Count the number of tins in your cupboards. Sort them into groups by what's inside them. How many groups have you got? What is the most popular food in a tin in your house?
- Share fruit into portions - into 2s, 5s and 10s.
- Find the heaviest object in the kitchen. Find the lightest.
- Count the letters in your first name and your surname. Add them together.
- Count the words on the page in your book. Subtract them from 20.
- Practise telling the time to o'clock and half past.
