

Sunflower Class Autumn Newsletter

The children have all settled into our new class extremely well, it is wonderful to see them all so happy. As you will be aware your child's learning will be individualized to them therefore children will not be accessing the same work.

Our topic for this term will be based on 'Marvellous Me'. Your child will be using their senses to explore and make discoveries. We would love it if you could send a family photograph to school which your child could share in class. Alternatively, they can be emailed to me at cmudd@stcuthbertshartlepool.bhcet.org.uk

As part of our daily routine the children are having snacks which they are helping to prepare, crackers and jam sandwiches have been a huge success so far. Your child is then supported to clear away and wash up the dishes which they have used.

Please ensure your child brings their water bottle and reading book to school each day. Our PE lesson is on a Friday therefore your child can come to school wearing their PE kit on this day.

Please speak to me if you have any questions at all.

Thank you, Mrs Mudd
