1. Introduction and aims

At St Cuthbert's Catholic Primary School, we recognise that mobile phones and similar devices, including smartphones, are an important part of everyday life for our pupils, parents/carers and staff, as well as the wider school community.

Our policy aims to:

- Promote safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

Note: throughout this policy, 'mobile phones' refers to mobile phones and similar devices.

2. Relevant guidance

This policy meets the requirements of the Department for Education's non-statutory mobile phone guidance and behaviour guidance. Further guidance that should be considered alongside this policy is Keeping Children Safe in Education.

3. Roles and responsibilities

3.1 Staff

All staff (including teachers, support staff and supply staff) are responsible for consistently enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The Head teacher is responsible for monitoring the policy every two years, reviewing it, and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly, and clearly communicate the reasons for prohibiting the use of mobile phones.

3.2 Governors

The policy will be agreed by governors every two years.

4. Use of mobile phones by staff

4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone, while children are present. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time for personal reasons. For instance (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

Lunchtime supervisors should not have their phone on the school yard.

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number 0191 5813090 as a point of emergency contact.

4.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Bard). Further information can be found in the BCCET ICT acceptable use policy and BCCET data protection policy.

4.3 Safeguarding

Staff must not give their personal contact details to parents/carers or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

Staff may use their mobile phones to access the internet in their own time. Our smoothwall filtering will alert SLT to any inappropriate sites.

4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but aren't limited to:

- To use multi-factor authentication
- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct
- Not use their phones to take photographs or recordings of pupils, their work, or anything else which could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office

4.5 Work phones

Some members of staff are provided with a mobile phone by the school for work purposes. Only authorised staff are permitted to use school phones, and access to the phone must not be provided to anyone without authorisation.

Staff must:

- Only use phone functions for work purposes, including making/receiving calls, sending/receiving emails or other communications, or using the internet

- Ensure that communication or conduct linked to the device is appropriate and professional at all times, in line with our staff code of conduct.

4.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

5. Use of mobile phones by pupils

St Cuthbert's Catholic Primary School discourages, and advises all parents to discourage children from bringing mobile phones to school on the grounds that they are valuable and may be lost or stolen. It is not realistic to prohibit phones being brought into school. We also accept that many parents have concerns about children who make their own way to and from school. Unless your child needs a phone for this purpose, they should not bring a phone to school.

We have agreed to allow children in Year Five or Year Six to bring mobile phones with them to school under the conditions outlined in our policy. Phones should be handed into the school office or class teacher.

Pupils should not use their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes.

5.1 Use of smartwatches by pupils

The DfE's non-statutory mobile phone guidance includes in the term 'mobile phones' all devices with communications and smart technology that the school chooses to include in their policy.

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smart watches have wellness and health-related features. Smartwatches are not allowed to be worn by pupils.

Where a child is found with a smartwatch in school, including the playground:

- the smartwatch will be taken from the child and placed in the office
- parents will be contacted to collect the smartwatch

5.2 Exceptions for special circumstances

The school may permit pupils to use a mobile phone in school, due to exceptional circumstances (e.g.medical). This will be considered on a case-by-case basis. To request such permission, pupils or parents/carers should Mrs Noble nnoble@stcuthbertsprimary.com

Any pupils who are given permission must then adhere to the school's code of conduct and acceptable use agreement for mobile phone use (see appendix 1).

5.3 Sanctions

Where a child is found with a mobile in school, including the playground:

- the phone will be taken from the child and placed in the office
- parents will be contacted to collect the phone

If any child is found taking [or is believed to have taken] photographs or video footage with a mobile phone of a child/children or an adult/adults, this will be regarded as a serious offence and the Headteacher will decide on appropriate disciplinary action. If images of other children or staff have been taken, the phone will not be returned to the child until the parent has been contacted and the images have been removed by the child or an appropriate adult under the supervision of the Headteacher or the Deputy in their absence.

School are permitted to confiscate phones from pupils under sections 91 and 94 of the Education and Inspections Act 2006.

Staff also have the power to search pupils' phones in specific circumstances as set out in the DfE's guidance on searching, screening and confiscation. The DfE guidance allows staff to search a pupil's phone if there is a good reason to do so.

In each case, the sanction given must be reasonable and proportionate. The school will also consider whether:

- There are any relevant special circumstances (for example, age, religious requirements, special educational needs, disability)
- The pupil's behaviour may indicate they may be suffering, or at risk of, harm. If this is suspected, staff will follow the appropriate procedure set out in Part 1 of Keeping Children Safe in Education

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

6. Use of mobile phones by parents/carers, volunteers and visitors

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, or when working with pupils

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else which could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 5 above, but must refer any sanctions to a member of staff, as they do not have the power to search or confiscate devices.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on their personal mobile during the school day.

7. Loss, theft or damage

Responsibility for mobile phones

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

It is the responsibility of the parent to ensure the mobile phone is:

- properly insured
- clearly labelled with the child's name
- in a protective cover for additional protection

It is the responsibility of the child to ensure their mobile phone is:

- switched off before coming on to school grounds and handed in to the office or their class teacher
- collected at the end of the day
- switched off until they have left the school grounds
- Pupils must secure their mobile phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

Confiscated phones will be stored in the school office in a locked cabinet.

Lost phones should be returned to the school office. The school will then attempt to contact the owner.

8. Monitoring and review

The school is committed to ensuring that this policy has a positive impact of pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from staff
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority and any other relevant organisations
