Dear Parents/Carers,

Please find below the information for our Stay & Play event in school next Thursday (11<sup>th</sup> June).

As a school, we are delighted to be opening our grounds to share with our families an afternoon of OPAL. Our children thrive outdoors and are super excited to have you join them and experience play at St Cuthberts's.

The session will run from 1:30-3pm. Parents/guardians can collect their child/children from their home time yard and are expected to stay for the whole session before taking their children home. If the whole session cannot be attended, children will return to their class and stay until the end of the day.

**Clubs and wraparound care will run as normal.**

Throughout the afternoon, there will be opportunities to plant in the allotment, build dens, play in the mud kitchen and create natural arts and crafts - plus so much more!

Refreshments will be available at an additional cost, along with marshmallow toasting for grown-ups to enjoy with their children (£1).

We are kindly asking families, to donate an item to our OPAL play. This could be something as small as an old wooden spoon for the mud kitchen, outgrown fancy dress costumes, books or wheeled item.

This event will go ahead regardless of the weather so please dress appropriately.

Kind Regards,

Miss Scarr
