

Parental Support:

As you are already aware, it is extremely important that our children are reading every night at home. We would like to thank you and ask that parents and carers continue to listen to the children reading each night for 5-10 minutes. Please ask children questions about the pages they have read to strengthen their readings skills and deepen their understanding of the book.

The children must log on to TT Rock stars and use this daily to help with pace and recall of times tables. Again, thank you for your continued support, it is very much appreciated.
