

Y6 Curriculum Newsletter - Summer Term 2025

Literacy

This term, the children will be reading the rest of 'Wild boy', this story links in with the Victorian times (our History focus)

Children will continue to read each night with daily GPS and spellings in class to consolidate GPS skills.

Pupils will be writing leavers speeches and poems in preparation for KS3.

Maths

In math's this term, children will be revising key topic areas to improve key knowledge- specifically in Statistics, Measure and Geometry.

Pupils are being encouraged to visit the BBC revise wise site to practice key mathematical skills.

Additional Ks3 math's projects will also start in Summer 2.

Science

We will be looking at the Animals, including humans.

Transition News:
Key dates and KS3 information will, be given out as the term progresses, including dates for leavers.

Home Learning

Daily reading is required still at home.

Times tables should also be practiced if not secure up to 12 x 12.

RE

This term's RE topics are Pentecost and then the Sacrament of the Sick.

ICT

Children will be learning about creating digital Movies and soundtracks.

Art

This term's artwork will be linked to our History and Literacy topics- landscapes and digital drawings.

History

We will be looking at the Victorian Times - The Industrial revolution.

PE

Sport: Cricket/ Athletics

Miss G- Monday and Tuesday
Mr T- Wednesday and Friday
