

Spring term - Extra-Curricular provision at St Cuthbert's

Monday Afterschool 3pm - 3.50pm		
Year 7 & 8 Science Club		Our science club will be crammed full of exciting science experiments that introduce pupils to a wide range of science topics, from chemistry, physics, and biology to engineering, geology, astronomy, scientific history and much more!
Book club		Book club invites pupils to read, formulate opinions, and discuss fiction and non-fiction texts from a wide array of genres. This gives students the chance to discover what types of books interest them most. The Book club will create a space for children to talk, ask questions, and interact with peers.
Debate Mate		Debate Mate runs after-school debating clubs in primary and secondary schools across the UK. Students debated important issues around climate change, the rise of technology and its place in today's society, as well as political issues such as prison reform.
Lego club WEEK B		Lego club inspires creativity, encourages problem solving and facilitates team building whilst having fun with LEGO bricks. We are passionate about providing engaging and stimulating workshops that nurture innovative minds.
Cambridge National Award Club		The Young Leader Award is a great introduction to leadership, giving young people aged 11 and over knowledge of how to organise and lead small games and activities that can be used as a part of uniformed organisation, community club or sports club sessions. Over 6-10 hours, the Young Leader Award aims to help learners develop leadership skills such as organisation, communication and teamwork, as well as helping to build confidence and self-esteem as they take on responsibility of leading their peers and younger children.
Study hub		Study Hub will allow students to get support with their homework, work with a subject specialist, carry out some extra research to improve your understanding and will provide students the opportunity to work with their friends to improve their progress.
Puzzle Club		Students will be able to engage with lots of different puzzles and activities that will stimulate their brains!
Ks3 Keyboard club		This club offers children the opportunity to learn new keyboard skills. All the children have the use of their own keyboard, together with a personal set of earphones which means that everyone can work at their own pace.

Spring term - Extra-Curricular provision at St Cuthbert's

Tuesday Lunchtime KS3 12.25-13.10pm - KS4 13.15-14.00pm		
Pupils are advised to bring in a packed lunch or collect a sandwich meal deal from the cuisine at break time		
High Jump		The high jump is a track and field event in which competitors must jump unaided over a horizontal bar placed at measured heights without dislodging it. In its modern, most-practiced format, a bar is placed between two standards with a crash mat for landing.
Tuesday Afterschool 3pm - 3.50pm		
All years Ukulele Club		Learn how to strum, read chords and play songs on the ukulele!
Extended form reading		<p>Students have the opportunity to come and read more of St Cuthbert's canon: the books that our school (our students and teachers) have chosen to represent us. Students can finish books that they have started in form, or read one of the books that they haven't had a chance to read.</p> <p>The books are all very popular with our students: they have a range of themes (like diversity, crime, fantasy) and a range of styles (e.g. different narrators).</p>
Athletics practise		We undertake many athletic activities including javelin, shotput, sprinting, long jump, long distance running and completing the relay race. Every week we intend to improve our scores and learn different techniques to help us with this improvement.
A-level preparation for Science		There are new skills required to be successful at A level. Many students find this jump quite daunting and it is sensible to make sure you are fully prepared. Explore Biology, physics and Chemistry at A Level to prepare yourself for future studies!
Drama Club		The children are taught to work together within a friendly and encouraging environment. By allowing children to be imaginative they have the opportunity to develop creatively, physically, musically and socially. The Drama Club provides children with confidence in public speaking, listening and teaching them the importance of teamwork.
Study Hub		Study Hub will allow students to get support with their homework, work with a subject specialist, carry out some extra research to improve your understanding and will provide students. the opportunity to work with their friends to improve their progress.

Spring term - Extra-Curricular provision at St Cuthbert's

Wednesday Lunchtime KS3 12.25-13.10pm - KS4 13.15-14.00pm

Pupils are advised to bring in a packed lunch or collect a sandwich meal deal from the cuisine at break time.

Year 9 Indoor Cricket

Indoor Cricket aims to inspire children to be excited about the sport, teach pupils how to play cricket whilst ensure that they learn academic and life skills whilst they take part. The Club also aims to help children to take the next steps to progress on their cricketing journey

GIFT Chaplancy

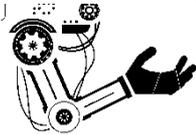

The role of the Gift Team is to serve and support the Catholic Life of the School so that we live as witnesses and can grow in faith together. At the heart of the GIFT chaplaincy faith team, lies our mission statement and our school prayer: 'To be the best that we can be'.

Spring term - Extra-Curricular provision at St Cuthbert's

Thursday Lunchtime KS3 12.25-13.10pm - KS4 13.15-14.00pm	
Pupils are advised to bring in a packed lunch or collect a sandwich meal deal from the cuisine at break time.	
Year 7 and 8 Rounders 	Rounders is a fully inclusive sport that can be played by all genders, abilities and age groups. It is an opportunity to engage all young people into sport and is an ideal sport for development - and it's really enjoyable!
Year 9 Social Science Club 	A club for those interested in psychology, law, sociology, politics or criminology. A different topic will be explored every week with investigation, discussion and debate.
Thursday Afterschool 3pm - 3.50pm	
SCRCHS Vocal group All years 	The SCRCHS Vocal group offers contemporary group singing classes for anyone from year 7-11. The Vocal group is a small-group learning community for those who want to sing with others and develop their vocal skills in a singing group. In the vocal group, you will receive vocal training, release endorphins and connect with other like-minded people.
Girls Sports Leaders 	The Young Leader Award is a great introduction to leadership, giving young people aged 11 and over knowledge of how to organise and lead small games and activities that can be used as a part of uniformed organisation, community club or sports club sessions. Over 6-10 hours, the Young Leader Award aims to help learners develop leadership skills such as organisation, communication and teamwork, as well as helping to build confidence and self-esteem as they take on responsibility of leading their peers and younger children.
Robotics club 	Students will be exploring the world of robotics, by creating block-based programs to manipulate the actions of an UBTECH robot. They will also explore an introduction into robotics, by designing and creating algorithms and seeing real world outputs, including making a robot dance!
Axios 	LGBTQ+ and allies youth group which is a safe space to meet and discuss issues and plan whole school events.
Study Hub 	Study Hub will allow students to get support with their homework, work with a subject specialist, carry out some extra research to improve your understanding and will provide students the opportunity to work with their friends to improve their progress.
Eco Club 	Eco-Schools is designed to place young people like yourselves in control of environmental action in your school. The concept is that you can make a difference now, whilst learning the skills needed to continue positively impacting our planet throughout your lifetimes.

Spring term - Extra-Curricular provision at St Cuthbert's

Friday Lunchtime KS3 12.25-13.10pm - KS4 13.15-14.00pm

Pupils are advised to bring in a packed lunch or collect a sandwich meal deal from the cuisine at break time

<p>KS4 Duke of Edinburgh</p> 	<p>The Duke of Edinburgh's Award (DofE) is a UK charity that makes a difference to young people's lives and prepares them for life and work. Over 300,000 young people per year from every possible background take part in DofE programmes to broaden their horizons, develop their leadership skills, learn to work with others, volunteer in their local communities, increase their employability, and prove to themselves they can succeed at a serious challenge.</p>
<p>Ks3 Film Club</p> 	<p>A space where individuals can come to watch films and discuss!</p>

Friday Afterschool 3pm - 3.50pm

<p>Study Hub</p> 	<p>Study Hub will allow students to get support with their homework, work with a subject specialist, carry out some extra research to improve your understanding and will provide students the opportunity to work with their friends to improve their progress.</p>
<p>The Best of Us</p> 	<p>'The Human Library' invites a guest into school to speak to pupils about our month's chosen theme. Watching a series of virtual interviews, podcasts and videos about the monthly theme. Pupil's share their experiences with each other and compare what they have done, how they have embedded the monthly theme into their own lives. Students will then work together to complete the creation of the podcast and newsletter.</p>
