**Headteacher's Update**

This week we welcomed about 220 new pupils to our school as Year 6 had their Transition Day. The Year 6 pupils had a great experience and hopefully now they will be a little less daunted about moving to 'big school' in September. Many of our current pupils had siblings, cousins and friends in the group and were extremely keen on seeing them.

Next week is Sports Day. There is an opportunity for everyone to be involved, whatever their sporting ability and we would actively encourage everyone to participate. It is a great experience for all involved.

The process of electing Lead Prefect has begun. Nine pupils made speeches in the Year 10 assembly. This was a very difficult thing for them to do but they were outstanding. There are some future leaders in our current cohort and it was excellent to see.

As we enter July we are all thinking about the summer holidays. However there are still two school weeks to go and every day matters. Over the next few weeks we will be communicating more details about some of the changes in September and highlighting anything you need to take particular note of.

Please note that on the last day there will be an early finish and more information on this will be provided by Mrs Logan.

Thank you and have a good week

Mr Shields

**CATHOLIC LIFE OF THE SCHOOL**

The Celebration of Faith tea party supported by our GIFT chaplains was a great success and thoroughly enjoyed by our parishioners. The pupils involved were a credit to the school.

## Hopwood Hall taster day for Year 10 students

We also have the following events happening for Year 10 during the summer term to help them to get ready for making important decisions about college/apprenticeships/sixth Form College next year.

- Thursday 14<sup>th</sup> July – Year 10 taster day at RSFC
- Monday 18<sup>th</sup> July – Year 10 experience of work day

The final half term of the year will also see students can further education ready with a series of lessons planned in their Skills For Life classes.

### Y10 Work Experience Day

On Monday 18<sup>th</sup> July, we are hosting our annual Year 10 experience of work day. During this day students will have the opportunity to find out more about the world of work within a particular sector and take part in some work based tasks.

**How can you help?** Could you or anyone that you know well volunteer some time on the morning (8.25 – 12.25) to come and offer a session for some of our students? The session would involve the following:

- A brief overview of your job – what you do, what it entails, what you like etc
- Outline of task for students to complete (linked to your job)
- Planning for the students on how to complete the task
- Completion of the task
- Presentation of the work that has been completed
- Prizes awarded to any student who have achieved well

To give some ideas of what sort of activities I mean, last year we had a past pupil who worked for Adidas who came in and asked the students to design, build and market a trainer, we had a CSI based activity in the hall where the students had to work out 'whodunnit' and an engineer who taught students about the basic mechanics of bridge building and then had the students building a weight loading bridge to try and see how many pound coins the bridge could hold.

If you or anyone you know would be interested in supporting school with this activity, please drop me an email at [stjh03@scrchs.com](mailto:stjh03@scrchs.com)

Many Thanks

Miss Holt

### Skills For Life update for half term 5

Below are the topics which will be covered with each year group during half term 5. If you think that there are any topics which you may need to have discussions with your child about, please do so. If you would like to speak to your child's Skills For Life teacher prior to delivery of these lessons, please drop them or myself an email asap. If your child is withdrawn from Sex Education, provision will be made for them to go to another classroom for these sessions. Many thanks, Miss J Holt

This will be communicated home after non-attendance on the previous day by parental/carer phone call.
Tier 1 C4 Detention (KS3) Tier 1 C4 Detention (KS4)	Cuisine REFLECT	<b>Mon-Fri, 14.50-15.50</b> Students will be collected between 14.30 and 14.50 and taken to the Cuisine / REFLECT, where they will sit their one-hour detention.
