Headteacher's Update

We are now in the final half term of this academic year. During this half term all pupils will be undertaking their end of year summative assessments. This will establish exactly what they know and remember from their studies during the course of the year. These assessments are crucial in terms of informing our planning and teaching for next year. Everyone knows what they will be doing and what they need to revise. Could I please ask that all parents check their children are revising as this is a key aspect of being successful in assessments and making progress.

During this half term we also have several extra-curricular events taking place including GCSE trips to London, reward events and Sports Day. Please keep a look out for any communications and letters regarding these events and others over the next few weeks.

Have a good week

Mr Shields

Y10 Work Experience Day

On Monday 18th July, we are hosting our annual Year 10 experience of work day. During this day students will have the opportunity to find out more about the world of work within a particular sector and take part in some work based tasks.

How can you help? Could you or anyone that you know well volunteer some time on the morning (8.25 – 12.25) to come and offer a session for some of our students? The session would involve the following:

- A brief overview of your job – what you do, what it entails, what you like etc
- Outline of task for students to complete (linked to your job)
- Planning for the students on how to complete the task
- Completion of the task
- Presentation of the work that has been completed
- Prizes awarded to any student who have achieved well

To give some ideas of what sort of activities I mean, last year we had a past pupil who worked for Adidas who came in and asked the students to design, build and market a trainer, we had a CSI based activity in the hall where the students had to work out 'whodunnit' and an engineer who taught students about the basic mechanics of bridge building and then had the students building a weight loading bridge to try and see how many pound coins the bridge could hold.

If you or anyone you know would be interested in supporting school with this activity, please drop me an email at stjh03@scrchs.com

Many Thanks

Miss Holt

Pastoral Notices

Detentions

Thank you for supporting the school's Behaviour for Learning policy to ensure that your child receives the highest quality learning experiences.

A revised detention system will be implemented from Monday 20th June 2022.

C3 (30 minute) and C4 (1 hour) detentions will run every afternoon for both KS3 and KS4.

All students who receive a detention are expected to attend, without exemption. Students failing to attend or complete a detention will receive an upscaled detention / sanction the following day, as outlined below and in the attached document.

Detention	Where?	When?	Upscaling
Tier 1 C3 Detention (KS3) Tier 1 C3 Detention (KS4)	Cuisine REFLECT	Mon-Fri, 14.50-15.20 Students will make their own way to the Cuisine / REFLECT, where they will sit their half-an-hour detention.	If a student fails to attend a detention / refuses attendance / fails their detention, they will be collected the next day at 2.15pm, taken to their detention room and expected to complete their detention until 3.50pm. This will be communicated home after non-attendance on the previous day by parental/carer phone call.
Tier 1 C4 Detention (KS3) Tier 1 C4 Detention (KS4)	Cuisine REFLECT	Mon-Fri, 14.50-15.50 Students will be collected between 14.30 and 14.50 and taken to the Cuisine / REFLECT, where they will sit their one-hour detention.

If a student fails to complete a Tier 2 detention or fails two detentions in a row (for whatever reason), they will be collected at 12.10pm the next day and work in isolation in room 406 until 3.50pm with a cold lunch option only.
Tier 3 Detention	406	Mon-Fri, 12.15-15.50 Students will be collected from their P4 lesson and taken to 406, where they will order and eat a cold lunch. Whilst in 406, students will remote-in to their timetable lessons or complete work	If a student fails to complete this Tier 3 detention, they will then be placed in REFLECT for the duration of the next school day and/or be allocated a place at another school.
		packs. Students will remain in 406 until 15.50 and complete their detention.	
Tier 4 Sanction	REFLECT / Other school	If a student fails to complete this Tier 3 Detention, they will then be placed in REFLECT Remove for the duration of the next school day and/or be allocated a place at another school.	A student still causing concerns due to poor conduct/failure to complete detention will be at risk of being suspended from school and will have parents/carers invited into school for a 'demonstration of poor conduct' meeting led by relevant member of pastoral staff.
Tier 5 Sanction	Parental meeting / Fixed Term Suspension	A student still causing concern due to poor conduct / failure to complete detention will be at risk of being suspended from school and will have parents / carers invited into school for a 'demonstration of poor conduct' meeting led by relevant member of pastoral staff. Knife Crime in Rochdale:

We have been invited to take part in a borough wide project to ascertain the views of young people in relation to knife crime by the Youth Justice Service.

The idea of the knife crime project is that by collating responses from young people the service will be able to observe trends within the general attitudes and beliefs regarding knife crime. The results of the study can be then used to propose types of intervention that could be put in place for young people in the Rochdale area. The survey is anonymous & will be sent to students via class charts to complete in their own time.

Key Pastoral reminders:

- Please ensure your child is in school ready to learn by 8.20am. Lessons start promptly at 8.25am. Students arriving 5-10 minutes in a morning are losing key learning time & are also affecting the learning of others by arriving late to class.
- Please check with your son/daughter over the half term break if they have all of their uniform. A number of students have been without school ties and are wearing trainers. We are happy to support any family with this should you get in touch with your child's Head of Year.
- Can we kindly ask that any student wanting piercings over the holiday waits until the summer so that in September these can be removed and replaced by retainers. Facial piercings are not allowed.

- Thank you to all our parents who support the school with meeting these expectations.
- Full details of our uniform policy can be found by clicking the link: [Uniform | St Cuthbert's RC High School \(scrchs.net\)](https://www.scrchs.net/uniform)
- Any student who is issued with a detention is expected to attend following 24hours notice, parents are sent notifications via class charts. Any child who misses the detention without reason will be kept the following day, where we have an issue with repeated failure to attend detentions your child will be placed in our remove room.
