**Headteacher's Update**

Parental notice

I would like to take this opportunity to wish everyone a happy Easter. I sincerely hope that all of our pupils and their families have some quality time together. If you have a child in Year 11 it is of course important that they have a rest and an opportunity to relax and have some fun but they must of course be focused on using the time to continue their revision and preparation for the Summer Exams. They are only 5 weeks away now!

In his Easter message this year, Pope Francis reminds us of the importance of doing good. He uses a message from St Paul to the Galatians which says

***“Let us not grow tired of doing good, for in due time we shall reap our harvest, if we do not give up. So then, while we have the opportunity, let us do good to all” (Gal 6:9-10)***

Over Lent, so many of our pupils and their teachers have lived up to the message contained within this scripture. They have done so much good for so many others. We will add up how much they have raised for worthy causes and let you all know after Easter.

I need to ask some parents to ensure they check uniform over Easter. During the past few weeks there has been a slight drop in appearance from some pupils as they have begun wearing non uniform footwear in particular. I would like to ask parents to please address this if possible over the holidays. We will be having a uniform drive after Easter and it is not possible to wear non uniform items as this will lead to complications for pupils which could and should be avoided.

Have a wonderful break and term starts for all pupils on Tuesday April 26<sup>th</sup>

Mr Shields

### **Online talks available to parents on further and higher education**

We are currently working with GM Higher who have provided us with lots of opportunities for our students to find out more about higher and further education. They have sent us this week some opportunities for parents to find out more about T levels (a new qualification which students can do when they leave school) and a session on going to university. If you are interested in either of these sessions, please click on the links below.

This event will introduce parents and carers to T-Levels, the new two-year, post-16 qualification providing an alternative to A Levels, BTECs and apprenticeships. T-Levels will offer a blended learning environment, mixing classroom learners with a 45-day work placement. This will ensure that learners are equipped and prepared for skilled work, university or degree and higher apprenticeships. Joining the session will be speakers from the Greater Manchester combined authority and students who are currently undertaking these courses\*.

### **Buses**

Please find attached St Cuthbert's bus timetable from Monday 25<sup>th</sup> April. An email/class charts notification has been sent with changes from TfGM:

#### **\*Bus Service Changes & changes to costs from Sunday 24<sup>th</sup> April\***

Changes to school bus services are usually made in September however due to increasing costs and budgetary pressure changes will be taking place from Sunday 24<sup>th</sup> April 2022. St Cuthbert's RC High School is affected because the services outlined below can be incorporated into the general services that were tendered and are proximate to the school route. These changes have allowed us to support and maintain services for the future.

### **Service Changes**

Please note that there will be a change of operator on service 880 (PM) which will take effect from 26<sup>th</sup> April 2022. The service will now be operated by Viking Coaches. The route and timetable will remain unchanged.

### Wellbeing

Please see the wellbeing area on our website (<https://www.scrchs.net/wellbeing>) which contains information on how to support you and your child's wellbeing.

This week Kooth have been delivering assemblies around emotional health and wellbeing.

These assemblies will continue after half term.

There will be a remote parental session with Kooth available after half term.

The date will be confirmed soon and communications will follow regarding this.

### **Year 11: Mock Examination Results**

Students received their examinations this week, these have also been sent via email to parents. Next week there are assemblies for Year 11 to support them to re-focus their efforts and prepare effectively for their GCSE examinations which begin Monday 16<sup>th</sup> May.

### **Year 11 Study Hub**

Study hub is now up and running and in full flow. This allows students a quiet space for independent study. Teaching staff are timetabled into this room to support students with their learning. This is a great opportunity for our Year 11 students to start to get into good habits in preparation for their GCSE exams.
