Opportunity during the summer holidays from Hopwood Hall College:

We are delighted to announce some very good news: After the hugely popular Animal Academy programmes and due to high demand, we have decided to run them again over the Summer Holidays.

This incredible 5-day adventure for young people aged 13-16 who aspire to develop a career working with animals. Delivered by our in-house team of zoologists and expert tutors, these immersive programmes are set to give young people 30 hours of highly sought-after practical experience - perfect foundations for a career in working with animals. Animal Academy students will learn all about the unique lives of our endangered animals at Hopwood Hall College, we have over 700 animals here, including meerkats, flamingos, wallabies and alpacas to name but a few so this promises to be an amazing experience.

Courses will be held on the following weeks 9am until 3pm:

Monday 25th July until Friday 29th July

Monday 1st August until Friday 5th August

Monday 8th August until Friday 12th August
