Dear Parents/Carer,

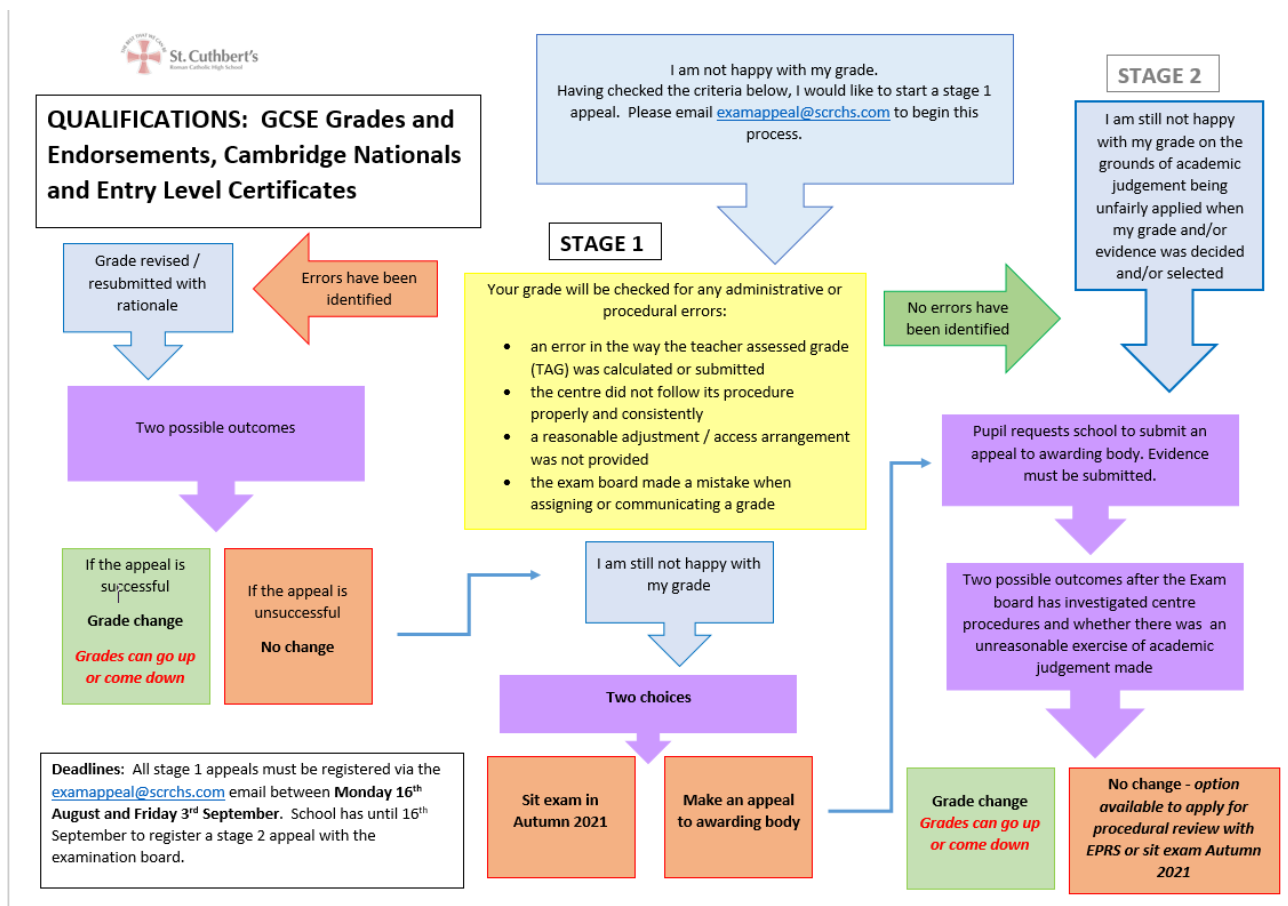

Re: Year 10 Results Day

Year 10 results day will be held in school on Thursday 12th August. Students are invited to come into school between 10.30 and 11.30am to collect their results.

Students should come into school through the main entrance and make their way to the school hall where they will be given their results.

At 11am, the results will also be emailed out to all students along with detailed information regarding the individual assessment details which were used to determine the teacher assessed grade.

The teacher assessed grades (TAGS) that have been determined by the teachers at St Cuthbert's have undergone a 3 step quality assurance process by the JCQ and examination boards. Our policy, procedures and grades passed this quality assurance at each stage. Your child however still has the right to appeal their grade. The flow chart below summarises the process.

Details of how your child can make an appeal will be shared with them on results day and Mrs Hill will be available to answer any questions regarding this process that they may have. The appeals window opens on Monday 16th August 2021 and closes on Monday 3rd September 2021.

There is also an opportunity for your child to sit an actual GCSE examination paper in November if they would like the opportunity to improve their TAG. Again details of how to request this opportunity will be shared on results day.

If your child does come into school to collect their results in person, we would request students wear masks whilst inside and try to keep as socially distanced as possible whilst collecting their results to try and keep everyone safe.

Yours sincerely,
