

Why RWI Phonics?

- It is a complete literacy programme - systematic and structured.
- It meets the demands of the new national curriculum, giving your children the best chance of success in the national tests.
- It is a one-to-one tutoring - no child is left behind.
- The storybooks align with the sounds learnt in class.

Who is Phonics for?

Phonics is being taught from Nursery to Year 2. children are in groups with others of the same reading ability. This means lessons are focussed on their needs and children can progress at their own rate.

Phonics and RWI is being used in Year 2 and beyond to encourage accurate spelling, develop reading fluency and reading comprehension.

How do Phonics help us read?

Say "hello" to Fred.

Fred can only talk in sounds...

He says "c_a_t." Not cat.

We call this Fred Talk.

How can you help your child at home?

SCHOOL

Red Words - These are words that do not follow a phonetical pattern therefore are tricky to Fred talk.

These are words that contain sounds that will not have been taught in the early stages of phonics.

Children need to learn to read these by sight. Once the sound has been taught, these words become green words.
