

# Parent Partnerships

Colleagues like you, are special and few,  
We just wanted to say, A big Thank You!

Amanda has been at St Edmund's for over 13 years and in that time has worked with hundreds of families and thousands of children!

Amanda's Storytime has been a regular event here for as long as we can remember and is something that everyone will truly miss!

The Christmas and Eid Fairs, Girlington Growers, Healthy Living Week, Pamper Nights and Trips to the Library, are but a few of the amazing events that Amanda has made happen for us all to enjoy!

English Classes, Coffee Mornings, Parent Workshops and Better Together Days have, with Amanda's support, enabled the voices of St Edmund's families to be clearly heard, ensuring that parents and carers are fully involved in their child's early education and also in the development of our school.

It is difficult to imagine St Edmund's without Amanda - her smiles and kind words, positivity and support that have been offered to us all for so long. We wish you well in your exciting new adventure Amanda and we will do our best to continue the excellent work and ethos of togetherness that you have been so integral in growing at St Edmund's.

Thank you for everything!! We wish you all the luck in the world and we will miss you loads!

## Bye Bye from Amanda!

"It is time for me to say goodbye to our wonderful families at St Edmund's.

After 13 years of memorable, fun, emotional and joyous times I am moving on to a new challenge - becoming a childminder with my close friend.

I want to thank, with all my heart, all families for the special times we have shared".

## Congratulations Maryum!

St Edmund's NSCC would like to introduce our new Parental Involvement Worker - Maryum Nazir. Lots of you know Maryum already as she has worked here at St Edmund's for a long time, mostly with our 2-3 year old children in Blue Room.

Maryum will be joining Juraj as part of our wonderful team, designated to work specifically with parents and carers, to make sure that families continue to receive all the support they need to maintain a stable, secure and happy home for their children.

Over the coming weeks Maryum and Juraj will try to contact you all personally; to introduce themselves and talk to you about the services we are hoping to provide and exciting plans for the future at St Edmund's.

Our hope is to continue to build close relationship with as many of you as possible, to achieve the best possible outcomes for ALL our families!
