The infographic is a blue rectangular box with three columns of information. The top left corner has the HM Government logo and the top right corner has the NHS logo. The first column is titled 'FACE COVERINGS' and states they are 'to be compulsory on public transport and in shops', accompanied by a white face mask icon. The second column is titled 'ALL INTERNATIONAL ARRIVALS' and states they 'to take a day 2 PCR test and self-isolate until they receive a negative result', accompanied by icons of a person at a PCR test and a house. The third column is titled 'ALL CONTACTS' and states 'of suspected Omicron cases must self-isolate for ten days, regardless of their vaccination status', accompanied by a house icon with a person inside.

New temporary and precautionary measures following the emergence of the Omicron variant in the UK:

- Face coverings will become compulsory on public transport and in shops. Not including hospitality.
- From 04:00 Tuesday 30 November all international arrivals entering the UK must take a day 2 PCR test and self-isolate until they receive a negative result.
- All contacts of suspected Omicron cases must self-isolate for 10 days, regardless of their vaccination status. They will be contacted by NHS Test and Trace.
