Many Cultures One Family Day

FRIDAY 27th SEPTEMBER 2.30-4PM

Dear Parents and Careers,

St Elpheges Infants School is celebrating its 55th anniversary.

We are organising an exciting event on **Friday 27th September from 2.30-4pm** to celebrate the amazing diversity within our school community. We need parents who are willing to help organise a themed table/stall to represent their culture.

We are looking for parents who would be willing to help by presenting a country/region. Some examples of this are: running language sessions (i.e singing a nursery rhyme in another language), performing traditional dances, introducing a game that's popular in different cultures, organising an exhibition of artefacts and photos, running workshops in making traditional crafts or art pieces, sharing a traditional dish (preferably finger food) for people to taste, organising a traditional dress parade etc. We hope this event will engage staff and families, hopefully making it a memorable experience for the whole community.

If you are able to help with this event please sign up your interest using the google form below:
