Children's Mission Statement

With God all things are possible and where there is love there is God

I will love God and He will give me joy.

I will try my absolute best to learn and help others achieve their goals.

I will be proud of everything I do and use my gifts from God wisely.

I will behave well, live the Golden Rules and follow in the footsteps of Jesus.

I will make the school a happy place where all visitors are welcome.

I will be a friend to all in our whole school family.
