

The ethos of The Federation is founded on the Gospel values proclaimed by Christ. Through our teaching and learning, we aim to reaffirm these values and, in so doing, portray God's loving presence in all our lives.

Our aims and objectives for behaviour and the curriculum, are inspired by the Gospel teachings of Jesus. It is with the strength of the Holy Spirit and God the Father's love for us that we achieve these aims.

The unique contribution that every child makes to the life of the schools is greatly valued. Each child is encouraged to achieve their best, according to their talents, interest, age and ability.
