

St Elphege's School PTFA

Registered Charity No: 1173387

We have recently signed up to [Your School Lottery](#)!

- Tickets cost just £1 per ticket per week
- All profits made go to our school
- Cash prizes to be won but you've got to be in it to win it!

I guess your wondering how it works?

It's quite simple, all you need to do is pick 6 numbers between 0-9 or you can ask for the site to randomly pick your numbers for you. If your numbers match the numbers that are drawn out weekly then you win! You even have a chance to win the jackpot prize of £25,000!

The lottery starts on Saturday 15th February, then every week moving forward, the draw will occur on Saturdays at 8PM. You can chose to play every now and then or you can sign up to play over a longer period of time.

So where does the money go?

For every £1 ticket sold

- 40p goes towards to school
- 36p goes towards the weekly cash prizes
- 20p is admin fees
- 4p is VAT

The more people who sign up to play, the more money there is guaranteed to win in the weekly cash draws.

If 100 tickets are sold every week it means that YOU have the chance of winning a £30 cash weekly prize and £2,080 a year will go to the school!

GOOD LUCK

Yours Sincerely,

The PTFA
