Friday, 11 September 2026

Dear Parents and Carers,

Welcome back to a new school year! I hope you and your family had a restful and enjoyable summer break.

As we settle into the new term, we would love to invite parents whose child has an Individual Learning and Support Plan to a short, 10- 15 minute transition meeting with your child's new class teacher. This is a great opportunity to connect, share insights about your child, and talk through their Individualised Learning and Support Plan together.

During this brief discussion, the class teacher will walk you through:

- Targeted Goals: The most pertinent targets for your child this term.
- Classroom Adaptations: Specific adjustments and environment tweaks to help them thrive daily.
- Additional Interventions: Tailored support or activities your child may participate in throughout the school day.

Please keep in mind that these plans serve as a guided overview of the main priorities for this term, rather than an exhaustive list of all the support your child receives—our team is always adapting to meet your child's needs throughout the day.

Meetings will take place from **Monday, 14th September** onwards. To book your slot, the class teacher will reach out to you directly to find a time which works best.

We truly value your partnership and look forward to working together to ensure your child has a happy, successful, and supported term ahead.

Warm Regards,

Vanessa Laffin
Inclusion Manager
