Dear Parents and Carers

I am writing to address an important matter concerning car parking around our school.

We have received feedback from local residents expressing significant frustration about inconsiderate parking by our school community. Specifically, parents are blocking residential driveways, preventing neighbours from leaving their homes or parking in their own paid parking bays.

I kindly request that all parents and carers:

- Park considerately and legally
- Avoid blocking residential driveways
- Respect the needs of our local community
- Use designated parking areas where possible

Our neighbours are important to us, and maintaining positive relationships within the community is crucial. By being mindful of how and where we park, we can ensure everyone's needs are met and demonstrate the values of respect and consideration that we teach our children.

Thank you for your understanding and cooperation in this matter.

Yours sincerely

Laurence Hawkes
