# Education Wellbeing Service Webinar

## Starting Early: How to help your child learn practical skills at a young age

This webinar aims to help empower parents to think about the skills and tasks they would like their nursery and reception aged children to learn.

This might be simple home tasks like using cutlery properly or wider life skills like early understanding of road safety.

The webinar will focus on increasing children's capability and parental confidence using everyday practical examples and advice.

### DATE / TIME

Monday 23rd February  
8.15-9.30pm
