Warmer Weather Reminders

Dear Parents and Carers,

We are expecting the warmer weather to continue throughout next week. To help ensure all children stay safe and comfortable during the heat, please make sure your child:

- Brings a hat to school
- Brings a full water bottle
- Has sun cream applied before arriving each morning

You may send sun cream into school in your child's bag, please remember to put their name on it. This is for their use only and is not to be shared with other children in case of skin allergies.

As temperatures are forecast to exceed 28°C, the following measures will be in place with immediate effect:

- Children will have opportunities to refill their water bottles throughout the day
- Additional shaded breaks can be provided throughout the day if required
- Cool, shaded spaces will be available during break and lunch times
- Teachers will allow children to remove their ties when in school

Thank you for your continued support.

The Senior Leadership Team
