YEAR 3 Relationships, Sex & Health Education (RSHE)

Dear Parents and Carers,

We have just began RSHE Scheme of Work, Life to the Full, and continue throughout the summer term.

I have attached the [Year 3 mapping document](#) which outlines the lessons that will be taught in Year 3.

Analysis of the parent consultation and the views of the Federation Senior Leadership Team led to the decision that the Year 2 session 'Girls and Boys' should be moved to the Year 3 science curriculum: Animals including humans.

This session teaches the scientific names of the human anatomy. This lesson will be taking place week commencing 16th June 2025.

You can access the [Frequently Asked Question page](#) which was designed during the Parent Consultation period.

It is important to remember that all content is age appropriate.

Please remember, if you want to log in to the parent portal you still can do.
