

Parlick Pick & Mix Homework Menu!

Topic – 'Great Outdoors and The Rainforest'

In the table below there are a variety of different homework activities to choose from. Try and do as many as you can and get creative!
We will be sharing learning logs and celebrating your hard work every Friday!
Please try to complete at least 3 home work tasks this half term.

Ethical Questions...

- Discuss at home the problems and impacts of deforestation how can we help climate change by looking after our green spaces and rainforests.
- Can you create your own animation about deforestation and its effects on animals and the environment? Use Purple Mash '2Animate' programme and save your work or make your own video using your toys and post it on seesaw.

Geography

Can you create a fact file about an animal/insect that lives in the Amazon Rainforest? Questions to help research: Where does your animal live? What is their habitat? Your animal's characteristics and behaviour? What do they eat? Are they endangered? As humans how can we help?

Science- Living, dead, never been alive

Can you have a look around your home/garden and find objects that are living, dead and never been alive. Sort them into three groups and take a picture. *Challenge!* What is something that was living but when dead can be used for a purpose?

Art- Beatriz Milhazes

Can you research the Brazilian artist Beatriz Milhazes? Have a look at how she uses vibrant, bold colours and patterns. She combines different patterns and textures to create very eye catching pieces of art. Can you create your own Beatriz Milhazes inspired art?

Music- Brazil

Can you research the wonderful sounds of Brazilian Samba music? Can you name a famous Brazilian musician? Can you create your own samba drum rhythm using 'Chrome Music Lab'? Or get creative and use pots and pans and kitchen utensils to recreate the sounds of Samba.

PSHE/Wellbeing

Can you camp in your garden with a friend or family member or go on an adventure walk at Beacon Fell and explore the great outdoors? What can you see/hear/smell? What plants and animals can you find and name? Can you build a micro habitat? Share a photo on seesaw of your fun adventures.
